

Tips for

starting off on the right foot

at RWB

☺ **Learn your locker combination!**

- Take your lock home and practice the first few nights.
- Once you have learned how to open your lock, use your locker daily to keep your book supplies.
- Do not carry everything with you!

☺ **Stay organized!**

- Each teacher will require you to have different supplies for each class.
- Learn what you need in order to be prepared for each class.
- You might not want to shop for supplies until after school has started and you find out what each teacher wants for you to have in class.

☺ **Use your agenda!**

- Get in the habit of writing all of your homework assignments down while in each class.
- Take your agenda home each night, so that you know what you have for homework.

☺ **Ask for help!**

- If you get lost, ask a teacher or students for directions!
- If you have questions or don't understand your schedule, ask your homeroom teacher (or any teacher or counselor).

☺ **Do your best!**

- If you work hard and do your best, you will be successful in Middle School.
- Teachers are very understanding and will help you with anything as long as you try!
