

CSCSHC

Summer Enrichment Programs

Kids Leadership Academy

Brief Summary of Camp

Individuals will learn the different pillars of leadership by going through a series of activities! In the camp, kids will be exercising, learning about healthy foods, and doing interactive activities that will build leadership skills!

Time & Dates

June 17-21, 12:30 - 4:00

Grade Levels

3rd, 4th, 5th, and 6th Grade

Mind Maze Summer Adventure

Brief Summary of Camp

At MindMaze Summer Adventures, students blend fun and learning as they expand their critical thinking skills and engage in cooperative learning. Students develop problem-solving skills as they solve riddles, math puzzles, and mind-bending challenges. Students hone their teamwork and cooperation skills as they learn to play a series of interactive literacy-based group games and strategy-based board games.

Time & Dates

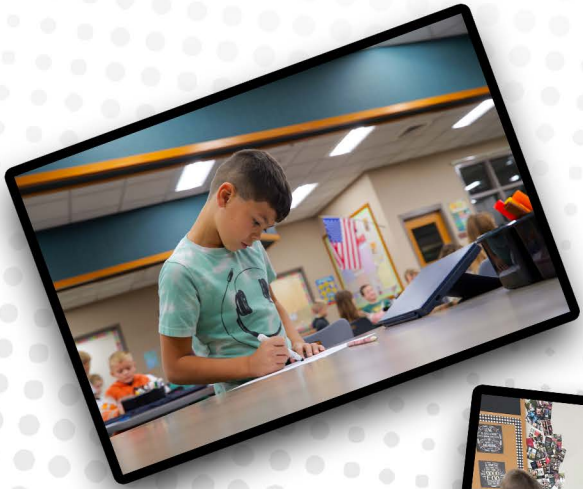

June 24-28, 12:30-3:30

Grade Levels

5th, 6th, and 7th Grade

iVamos! Spanish Camp

Brief Summary of Camp

In iVamos! Spanish Camp students will learn and play Spanish games, communicate about their passions, engage in cooperative storytelling, learn about world geography, and learn facts about Mexico and Chocolate: all while learning and using Spanish! This is for beginner learners of Spanish, and no prior Spanish language knowledge is necessary.

Time & Dates

June 10-14, 8:30-11:30 am

Grade Levels

5th, 6th, 7th, and 8th Grade

Magic Tree House Camp

Brief Summary of Camp

A week of Magic Tree House - Dinosaurs Before Dark. Each student will get a copy of the book. We will read and discuss 2 chapters per day and then do an activity, create an edible treat to go along with, then work all week long on a tree house that students will be able to take home at the end of the week!

Time & Dates

June 10-14, 12:30-3:30 pm

Grade Levels

1st, 2nd, and 3rd Grade

Bob Ross Painting

Brief Summary of Camp

Come along with our painting friends as we learn to use washable acrylic paints on canvas to make Bob Ross like masterpieces! Our painting journey will include happy little trees, razzle-dazzle mountains, friendly little clouds and gorgeous sunsets. Students will bring home at least two one of a kind Bob Ross style paintings. Participants will need to wear play clothes and shoes as well as bring a snack, water bottle, and a labeled painting shirt.

Time & Dates

June 10-14, 8:30-11:30 am

Grade Levels

3rd, 4th, and 5th Grade

If You Give a Kid a Kitchen

Brief Summary of Camp

Each day of camp, we will start the day by reading one of the books from the "If You Give a..." series. After reading the book, students will follow a recipe to create a food that goes along with the story we read that day. While the food item is cooking or baking, students will make a craft and play a game that goes along with the book from that day!

Time & Dates

June 10-14, 8:30-11:30 am

Grade Levels

1st and 2nd Grade

Vex IQ Robotics Camp

Brief Summary of Camp

Students entering grades 3-6 will learn how to build, drive, and code robots for the upcoming 2024-2025 Vex season. Students will cooperatively learn in small groups how to score and adjust their game strategy in order to accumulate the most points over a 60 second time period.

Time & Dates

June 10-14, 8:30-11:30 am

Grade Levels

3rd, 4th, 5th, and 6th Grade

Games Galore

Brief Summary of Camp

Each day of camp, students will learn a new game or sport and have the chance to play that game with the other campers! Games could include, but are not limited to, softball, kickball, soccer, and a variety of card or board games. In this camp, your child will learn the importance of sticking together to be a team player and that the importance of games are for enjoyment, not about winning or losing.

Time & Dates

June 17-21, not 19th, 8:30 am - 12:00 pm

Grade Levels

1st, 2nd, 3rd, 4th, and 5th Grade

Reader's Theater (Gr 2 and 3)

Brief Summary of Camp

Students will learn how to audition, practice, and perform roles. They will work on props and scenery. They will participate in a community performance on the final day.

Time & Dates

July 15-19, 8:30-11:30 am

Grade Levels

2nd and 3rd Grade

Reader's Theater (Gr 4 and 5)

Brief Summary of Camp

Students will learn how to audition, practice, and perform roles. They will work on props and scenery. They will participate in a community performance on the final day.

Time & Dates

July 8-12, 8:30-11:30 am

Grade Levels

4th and 5th Grade

Kindergarten Readiness

Brief Summary of Camp

In this camp, students will learn the rules and routines of a typical day in a kindergarten classroom! We will run our camp like a slightly shorter normal school day. Students will have a reading and math time. We will have centers, snack, and a playtime. We will practice kindergarten routines such as lines to leave the classroom, center rotations, sitting on the carpet, raising hands to answer questions. Students will get to meet new friends all while getting a jumpstart on their first year of school!

Time & Dates

June 24-28, 8:30 - 11:30 am

Grade Levels

Kindergarten

Cooking Camp

Brief Summary of Camp

Students will participate in math, health/science, reading, writing, and following directions, while learning how to cook and eat healthy!

(Gr 3-5)

Grade Levels

3rd-8th Grade

Blocks Paper Scissors Art Camp

Brief Summary of Camp

Blocks Paper Scissors Art Camp is continuing its long tradition of summer art enrichment.

Students will explore many forms of self-expression through painting, drawing, collage and 3D construction. **Blocks Paper Scissors** is where students are the artists!

Time & Dates

June 17-21, not 19th, 8:30 am - 12:00 pm

June 17-21, not 19th, 12:30-4:00 pm

Grade Levels

K, 1st, 2nd, 3rd, and 4th Grade

Dance Party! - Dance & Clogging Camp

Brief Summary of Camp

Students will learn and participate in a variety of dance styles, play games, and move their bodies in a fun, engaging way! Students will learn a dance routine throughout the week with the opportunity to perform for family and friends at the end of the week.

Time & Dates

June 17-21, not 19th, 8:30 am - 12:00 pm

Grade Levels

3rd, 4th, and 5th Grade

Computer Programming

Brief Summary of Camp

Students will get to experience the basics of programming and introduction to game creation. The students will experience coding on multiple platforms with the goal of creating their own interactive program by the end of the session!

Time & Dates

June 24-28, 8:30-11:30 am

Grade Levels

5th, 6th, 7th, and 8th

Sports and Sportsmanship

Brief Summary of Camp

During this camp students will learn and participate in a variety of indoor and outdoor PE related games and competitions! We will advise students on how to be humble winners and gracious losers while also helping them raise their heart-rates by introducing them to new activities. Activities will be team and individually based and will be non-contact.

This camp will be fun, friendly, and fast paced!

Time & Dates

July 15-19, 12:30-3:30 pm

Grade Levels

6th, 7th and 8th Grade

Robotics (EDR Kits)

Brief Summary of Camp

Students will learn the basics of robotics! We will begin by looking at gears, gear ratios, and how they can affect the speed and power of a device. The students will then be introduced to the basics of programming a robot. They will then complete the week by building and programming a drag racer!

Time & Dates

July 8-12, 12:30-3:30 pm

Grade Levels

5th, 6th, 7th, and 8th
