Fiesta Gardens Rethink Waste School Recycling and Compost Program:

RETHINKWASTE SCHOOL RECYCLING AND COMPOST PROGRAM
November 2023 – Fiesta Gardens International School

RethinkWaste is very excited to partner with Fiesta Gardens International School to provide students and staff with access to recycling and composting services at no-cost to the school.

The RethinkWaste team was on campus the week of November 27th, working directly with students and school staff to help identify the needs of Fiesta Gardens and deliver resources and technical assistance.

- **Materials:** Fiesta Gardens received new recycling, compost, and liquid containers, posters and stickers, and educational materials.
 - **Environmental Education:** Students learned about the new program and the importance of recycling and composting at assemblies presented by RethinkWaste and San Mateo County Office of Sustainability staff.
- Training:** During every lunch period, the RethinkWaste team coached staff and students about what lunch items go into each bin.

By participating in the new program, Fiesta Gardens has already drastically reduced the amount of material sent to the landfill. Check out the image to the right to see exactly how much!

Congrats to the Fiesta Gardens community! We hope you “talk trash” with your student(s) at home and continue supporting them in practicing their new bin sorting knowledge with your family and friends.

Check-out the attached sorting guide for reference or play this fun online bin sorting game:

We are always available if you have any questions or would like additional information! You can also visit our website at <https://rethinkwaste.org/>.

Warmly,
The RethinkWaste Team

Personal Care Products Needed: Parents have started a Personal Care Pantry to support families in need in our community. We are continuing to accept Personal Care Product donations. The school is already receiving food box donations from Moms Against Poverty (MAP) for identified food-insecure families, but toiletries and similar items are very expensive and hard to access. Any help will be appreciated.

Please check out the list [here](#) with the items that can be donated. The donations can be dropped off at the office or to Isabel in Room 20.

Uniform Donations Needed: If you have any uniform items that your child has outgrown please consider donating them to our school by dropping them at the office or with Isabel in Room 20. We have many families who could benefit from this.

Absences: If you have any student out sick, not feeling well, your student will be late, or will be having a doctor's or dentist appointment please make sure you call our attendance line at 650-312-7517. Also, a friendly reminder that Fiesta Gardens has a common/uniform dress code [click here](#) to read more about it. All students should follow the dress code expectations as explained in this document.
