**Meeting:** 8:15 am - 9:15am

## **Welcome Back**

### **Opening Of School Celebrations:**

Opening of school was really smooth, students are meeting expectations: getting to homeroom and classes on time.

Community input: It's been really positive so far. I really appreciate the slow start for the 6th graders without Chromebooks, this is how you use your locker, this is what you bring to class. Both are excited that things seem more normal. So far so good.
