

KENNEDALE ISD FAMILY ENGAGEMENT PLAN

2023–2024

Introduction

Family engagement is the process in which authentic relationships are established with families. These partnerships allow for families and the district to work together to benefit the whole child. Having strong family engagement is key to promoting a healthy development within children. Kennedale Independent School District is committed to providing opportunities and resources to ensure continuing growth and success of our students.

Per the Commissioner’s Rule 102.1003 (f), “a school district or an open-enrollment charter school shall develop, implement, and make available on the district, charter, or campus website a family engagement plan to assist the district in achieving and maintaining high levels of family involvement and positive family attitudes towards education.” House Bill 3 required that the family engagement plan include six components with associated events and/or practices. Some activities may meet more than one component and will be included in both.
