## Vernon Residents Invited to Informational Meeting on Pedestrian Safety Enhancements in Rockville

**VERNON, Connecticut** – The Town of Vernon is hosting a public information meeting at 6 p.m. Wednesday, Feb. 28 at the Town Hall first floor probate conference room to inform residents and seek input about a \$400,000 grant to improve pedestrian mobility and safety in downtown Rockville. All are welcome.

Phase 1 work, which is anticipated to begin this summer, would include the removal, replacement, expansion and construction of sidewalks, sidewalk ramps and crosswalks on Vernon Avenue, West Main Street and Brooklyn Street. The work would also include painting stripes for pedestrian walkways and the installation of yield signs in certain areas. The improvements were identified through a road safety audit conducted in the Rockville area. Funding will come from a \$400,000 Community Connectivity Grant from the State Department of Transportation.

Phase 2 of the project, for which the town is seeking funding through the Local Transportation Capital Improvements Program, is intended to enhance pedestrian access by extending the Vernon Rails-to-Trails further east to the area of Pitney Park, and possibly beyond. If approved by the state, work is anticipated to begin in spring 2025.
