RELEASE PERIODS

This section **MUST** be filled out if you are requesting to be off campus during the day for **ANY** reason.

General release periods are available to juniors and seniors who are on track to graduate. If you meet these requirements, circle the periods and semester you wish to have general release. **Please also put the releases in your course requests on the back of this form.** Requested classes will be placed on your schedule first and release periods will be placed as your schedule allows. (Please note that a signed Request For Release form is a required, separate form that must be in place.)

Sophomores, juniors, and seniors who request a release period for Seminary will have "Early Release" on their schedule which will take the place of one of their elective choices. Please write "Seminary" as one of your elective choices for both semesters on the front of this form. Please note that Seminary is not a Sprague-sponsored program and is offered at limited times which may impact elective options.

* Please note that students who are granted releases are expected to be off campus.
