Student Opt-Out Form Regional Lahar Exercise March 21, 2024

On March 21, the Sumner-Bonney Lake School District will participate in a Regional Lahar Exercise. Students attending schools on the hill in Bonney Lake will remain in their building. Students attending our schools in the Sumner valley will physically evacuate their school buildings and walk an emergency evacuation route, safely escorted by school staff. If you do not want your child to participate, you may opt out of the lahar exercise by completing and returning this form to your child’s school by March 15.

Evacuation details

Participating schools	Sumner High School • Daffodil Valley Elementary • Elhi Hill High School Program • Maple Lawn Elementary • Sumner Middle School/Community Based Program • Sumner Early Learning Center
Evacuation route	Under staff supervision, with assistance from local police personnel, students will follow a designated evacuation route on flat, paved sidewalks with one street lane closed. Students will complete about 80 percent of the route, stopping before gaining significant elevation with an end at the Gordon Family YMCA.
Exercise completion	Buses will transport students back to their school where they’ll complete the remainder of their school day as normal. Total time for the drill is approximately one hour.

If you do not want your child to participate in this lahar evacuation exercise, please complete this opt out form and return it to your child’s school by March 15, 2024.
