BULLDOGS

COUNSELORS CORNER

Hello Bulldog Families! If you and your students need extra help with the FAFSA or CADAA applications, please consider attending Cash 4 College night on Wednesday the 28th from 5 - 7:00pm in D101.

This week counselors will be meeting with all sophomores to discuss the topic of career exploration. After this lesson students will understand the importance of early career exploration, learn which careers best match their personalities, and save two to three careers they would be interested in pursuing. Be sure to have your student login to California Colleges to show you which career(s) they were matched with!
