A message from the Headteacher

Dear Parents and Carers,

Congratulations to the children in Years 3 to 6 who successfully completed Bikeability training this week. I had some fantastic feedback from the instructors and it was brilliant to see the progress you made. Well done!

Some of our Year 6 pupils visited Slough and Eton School yesterday and took part in an Inter-Faith conference alongside a number of other local schools. I was very proud to hear how well the children participated, working alongside and collaborating with children from other schools.

Finally, thank you to everyone who attended parents' evening this week; it was great to see so many of you. If you were not able to attend, class teachers will be happy to rearrange appointments. Year 2 appointments will be rescheduled as soon as possible. If you did not sign up to the reading workshops at parents evening, please see below for more information.

Enjoy your weekend.

Phonics workshops for Reception/KS1 will be on Thursday 16th November, either face to face workshop at 9am, here at school, or online at 2pm.

Reading workshops for KS2 will be on Friday 17th November, again a face to face workshop at 9am or online at 2pm.

Please let your class teacher know if you would like to attend. Please note that the online workshops will be recorded and accessible on the school website.
