HIGHLIGHTS OF THE WEEK

✿ 3PK Winter Fest ✿

3PK students and their family members enjoyed winter themed activities today. They worked on their fine and gross motor skills, had some sensory play by making Snowman slime, practiced visual matching skills by looking carefully at snowflakes, completed 2 STEAM activities making “igloos” out of marshmallows and toothpicks and crafting snowball shooters, and read winter books. Before going home, students followed directions to make a Banana Snowman for snack. It was a great day!

During this school year, the following screenings will be required or completed at school:

- Color perception screening for all newly entering students.

Hearing

- Hearing screening for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7, and 11.

Scoliosis

- Scoliosis (spinal curvature) screening for all girls in grades 5 and 7, and boys in grade 9.

A letter will be sent home if your student needs follow-up with your healthcare provider. Please call the Health Office directly if you have any questions or concerns.
