

From the Counseling Office

Dear Families,

This month in Pre-K, Kindergarten, 1st grade, and 2nd grade, we learned about how to not interrupt people when they're talking. We read a book about interrupting and talked about waiting strategies. We practiced raising our hand when we had an idea to share. We also practiced talking to a peer, and taking turns in a conversation.

Engage your child by asking:

- ★ What is interrupting? (when you talk to the same time as someone else)
- ★ If you have something to say when a teacher is talking, what should you do? (raise your hand and wait to be called on)
- ★ If you need to interrupt someone, what do you say? (excuse me)

If you have any questions, please reach out to us by phone or email.
