Required Items To Bring With You:

- Child's Original Birth Certificate
- Child's Original Social Security Card
- Immunization Record
- Proof Of Residency (utility bill, mortgage statement or pay stub)
- Custody Papers, If Applicable
- Parent/Guardian Driver's License

From The Clinic....

PLEASE keep a clean outfit of clothing in your child's backpack at all times. Children often have spills or get muddy and need clean clothes during the day.

Reminder to all 6th grade parents to turn in proof of your child's TDap and Meningitis vaccines to the school nurse. These vaccines are required by the Ohio Dept. of Health prior to the start of 7th grade.

From The Principal's Desk...

I can't believe we are in the month of March already! It's that time of year where I know many things pick up outside of school with Spring sports. It's so good to get outside! We are loving the change of weather and getting the kids out to recess.

We are one month away from the state testing season. Enclosed you will find in this newsletter a copy of the testing schedule. If at all possible, please try and plan any trips/absences around these dates. Attendance on these days is very important. We appreciate your cooperation with this.

Our big student activity for the month of March is our "Shamrock Shake" mini fun day on Friday, March 15. It's a great time to take a break from academics and let the kids cut loose a little bit. Our PBIS Team plans the events for this day.

Also, our wonderful PTO is planning many great activities for these next few months of school. Keep an eye out in the near future for a description of these events.

The new Lordstown School App for Apple and Android is up and running. Please check your email for instructions.

Dr. Seuss

Kindergarten is having a **READING IS FUN** celebration on Friday, March 1 to celebrate Dr. Seuss's Birthday. The children will participate in fun literature based activities. This is a very exciting day for our Kindergarten!

Happy
St. Patrick's
Day

American Heart Association

In February, Lordstown Elementary School teamed up with the American Heart Association for Heart Health Month. The students in grades Preschool through 6th grade learned a little about the heart, hands only CPR, our very own Lordstown Heart Hero (Maverick Jones), and how to raise money for the American Heart Association. Our students raised \$1,298.64!! This was the first time in years that our Elementary school joined with the AHA to raise money, and they did a fabulous job!!

Our top three fundraisers were:

- Josie Finley, 5th grade, Mrs. Davis's homeroom, with \$341.02
- Hudson Blank, Preschool, Miss Augustine's homeroom, with \$297.54
- Evalynn Filipovich, 1st grade, Mrs. McAndrew's homeroom, with \$126.70

The homeroom who raised the most was Mrs. Davis's class with \$432.54

Thank you to all who participated, signed up and even took all of the great classes online through the American Heart Association.

Miss Walker

Computer Class With Mrs. Pyles

In February, Kindergarten learned to use the spacebar by resting their hands on the keyboard and using their thumbs. This is a precursor to learning to keyboard. We have also learned to use the Shift key to make an uppercase letter and learned the period key, so we can now type sentences!

First grade completed all their keyboarding lessons, and they have done a great job! If your child uses a computer with a keyboard at home, please encourage them to always place their hands in the proper position...even if they are just having fun on the computer. Practice makes perfect!

Second grade has learned to use Microsoft Powerpoint and MS Word to create a story about their family. We are now moving on to graphics.

Third grade created Google Slides presentations and presented them to the class. They really enjoyed this project! They are also moving on to graphics.
