Custody Documentation: It is the parent/guardian's responsibility to provide the most current custody/time share documentation to the school. The school will only implement the terms of the agreement. It is not the School's responsibility to determine the meaning of the document(s). If there is any question regarding custody issues, and/or the parent/guardian are not in agreement with the custody documentation, they will need to seek outside legal counsel. If there are changes to be made, those will need to be provided to the District once the Court amends the Order.

If the parent was living in another state when the custody determinations were made, they must have the Order domesticated by a Court in Florida for the District to implement the terms of the custody/time share agreement. (Note: Parent/Guardian must have photo ID) All custody/legal documents must be on file with your school of enrollment to be valid.

If there is custody paperwork, it must be on file with the school of enrollment.

Yes, I understand and will provide the necessary custody documents to the school of enrollment.

No, there are no custody documents for this student.

Emergency Contacts: In order to check a student out of school, whether you are the parent/guardian or emergency contact, you must present your photo identification for verification. Students may only be released into the care of their parent/guardian and emergency contacts that are age 18 or older.

Flagler Schools Caregiver's Authorization Form

This form is required only if the student resides with someone other than the parent or court-ordered guardian.

This form is intended to address the McKinney-Vento Homeless Education Act of 2001 (MVA) Section 724(g) of the McKinney-Vento Act, as amended by the ESSA (Pub.L. 114-95), requirement that homeless children have access to education and other services. The MVA specifically states that barriers to enrollment must be removed. In some cases, a student may be considered homeless if they do not reside with his/her parent or guardian; however, this fact does not nullify the student's right to receive a free, appropriate public education. This form authorizes an adult (not parent/guardian) to serve as the adult contact for a homeless youth. This covers enrollment, attendance, and medical emergency contact.

Instructions: Complete this form for a student presenting himself/herself for enrollment while not in the physical custody of a parent or guardian.
