### **Notice**

The Purchasing Department of Santa Fe Independent School District ("SFISD" or the "School District") is conducting this procurement to establish a contract. SFISD is seeking proposals for equipment, and installation for the District. In order to do business with Santa Fe ISD, you MUST complete and return this proposal packet. No contract shall be executed until it has been reviewed and approved by the Board of Trustees of the School District ("Board") in a duly called and posted meeting of the Board.

This CSRFP is to be received at the time and location designated and should include all the information requested hereafter. The District reserves the right to exclude from consideration any responses that are incomplete or not received at the designated location by the due date and time listed herein.

Upon request, proposal packets will be made available to anyone who wishes to submit a response. However, it is the responsibility of the Proposer to provide the District with the appropriate company name, authorized representatives, and contact information for the purposes of receiving notices, changes, addenda, or other critical information.

The District may choose to award to a single Proposer, or multiple proposers. The District makes no guarantee that an award will be made as a result of this RFP or any subsequent RFP's and reserves the right to accept or reject any or all submittals, waive any formalities, irregularities, or minor technical inconsistencies, or delete any item/requirements from this RFP or contract when deemed to be in the District's best interest.

### **Submittal Requirements**

A complete response will consist of one (1) clearly marked original and one (1) clearly marked exact copy using standard letter size paper (8.5" x 11") in a sealed envelope or container and one (1) electronic copy on USB in a PDF Format. Responses shall be direct, concise, and complete. Proposers failing to submit in manner as requested may be considered non-responsive and may not be evaluated. The 'original' response shall prevail in the event of a discrepancy between the Proposers submissions.

Each response should be prepared simply and economically, providing a straightforward, concise description of the Respondent's ability to meet the requirements of this RFP. Emphasis should be on completeness, clarity of content, responsiveness to the requirements, and an understanding of the District's needs.

No responses will be accepted by oral communication, telephone, electronic mail, telegraphic transmission, or fax transmission. Respondents are solely responsible for the timely delivery of their proposal response to the Purchasing Department. Responses received after the deadline will be rejected and shall be returned to the Proposers unopened. No provisions or exceptions are made for late delivery due to actions or consequences of third-party carriers.

In the event the District's offices are closed due to inclement weather or for any other unforeseen cause, the deadline for submission shall automatically be extended until the next operational business day, unless Proposer is otherwise notified. The time of day shall remain the same. Prior to the final selection, Proposers may be required to submit additional information, which the District may deem necessary to further evaluate the Proposers submission.

Responses which are incomplete or with conditional clauses, or alterations, or items not called for in the PROPOSAL documents, or irregularities of any kind, are subject to disqualification by the District, at its option. The District reserves the right to waive any irregularity or informality in a response or submittal.

Failure to comply with the requirements contained in this RFP may result in a finding that the Respondent is not qualified.

### **Submittal Contents**

In order to facilitate the review and evaluation of RFP's the District requires that Request for Proposal's be submitted in the standard format outlined herein. ### **2 Use of District Documents**

- 2.1 Proposal responses must be submitted on forms provided by the District. No alteration to the District forms will be permitted, including substitutions, additions, deletions, or interlineations, without written consent of the District.
- 2.2 Reproduction of District documents is permitted, so long as reproduced copies are exactly the same in size, format, and content as forms prepared by the District. Any response submitted in altered form may result in rejection of such response at the option of the District.

### **3 Withdrawal or Modification of Submitted Response**

- 3.1 Any response, which has been submitted, may be withdrawn prior to the deadline. A request to withdraw a Proposal response must be in writing and be received by the District prior to the receiving deadline.
- 3.2 No amendment, addendum, or modification shall be accepted after the deadline for submitting a Proposal response to the District. If a change to a response that has been submitted is desired, the submitted response must be withdrawn and the replacement response submitted prior to the receiving deadline.
- 3.3 No Proposer may have more than one Proposal response on file with the District.
- 3.4 After the scheduled time for receiving Proposal responses, responses may not be withdrawn for a period of sixty (60) days.
- 3.5 Any contract entered into can be modified or rescinded only by a written document signed by both of the parties or their duly authorized agents.

### **4 Delivery and Materials**

- 4.1 The Proposer shall store and protect materials and equipment in accordance with the manufacturer's recommendations.
- 4.2 The Proposer, in the event of damage, shall immediately make all repairs and replacements necessary to the approval of Santa Fe ISD, with no additional cost to the District.

Be very certain that items upon which you submit, and deliver are equal to items listed. Materials that are determined to be not equal shall be returned to the Proposer transportation charges collect.
- 7.2 Whenever an article or material is defined by describing a proprietary product or by using the name of a manufacturer or brand name, the term "or equal" if not inserted shall be implied. The specified article or material shall be understood as indicating the type, function, minimum standard of design, efficiency, and quality desired and shall not be construed as to exclude other manufactured products of comparable quality, design, and efficiency.

The failure or neglect of Proposer to receive or examine any contract document, form, instrument, addendum, or document shall in no way relieve Proposer from obligations with respect to his or her response. The submission of a response shall be taken as prima facie evidence of compliance with this section. Receipt of addenda to the Proposal documents by a Proposer must be acknowledged in the response.
- 8.3 The District is not responsible for incomplete response packets.

In the event the product does not conform to OSHA standards, the District may return the product for correction or replacement at the Proposer's expense. ## **10 Proposal Cost**

- 10.1 The District shall not be liable for any cost incurred by a Proposer in the preparation or delivery of its response to this request for competitive sealed proposal or for any other cost incurred because of the request for proposal.
- 10.2 The issuance of this request for proposal does not obligate the District to enter into a contract for any commodity and/or services.

## **11 Proposal Disclosure**

- 11.1 The District is a government body subject to the Texas Public Information Act. Responses submitted to the District as a result of this solicitation are subject to release as public information after contracts are executed or the procurement is terminated. In the event a Proposer desires to claim portions of submitted response are exempt from disclosure, it is incumbent upon the Proposer to identify those portions in a transmittal letter. The transmittal letter must identify the page, the particular exemption(s) from disclosure, and the contended justification for exemption upon which it is making its claim. The District will consider a Proposer's request(s) for exemption from disclosure; however, the District will not

be bound by the assertion that a page contains exempt material. An assertion by a Proposer that an entire volume of its response is exempt from disclosure will not be honored.

- 11.2 Until a contract resulting from this request for Proposal is executed, no employee, agent, or representative of any Proposer shall make available or discuss its response with the press, any elected or appointed official or officer of the District, or any employee, agent, or other representative of the District, unless specifically allowed to do so in writing by the District for the purposes of clarification, evaluation, and/or awarding the Proposal.
- 11.3 Proposers shall not issue any news release(s) or make any statement to the news media pertaining to this request for Proposal or any Proposal and/or contract or work resulting therefrom without the prior written approval of the District and then only in cooperation with the District.
- 11.4 By signing this Proposal response, a Proposer affirms he/she has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to a public servant in connection with the Proposal response submitted.
- 11.5 Proposer shall note any and all relationships which might be a conflict of interest and include such information with their response.
- 11.6 By signing this Proposal response, a Proposer affirms, to the best of his/her knowledge, the response has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give them an unfair advantage over other Proposers in the award of this Proposal.
- 11.7 If a Proposer's response is accepted by the District, the Proposer shall not advertise or publish, without the District's prior consent, the fact the District has entered into the contract, except to the extent necessary to comply with proper requests for information from an authorized representative of the federal, state, or local government.

## **12 Licenses, Permits, and Taxes**

- 12.1 The price or prices for the services and/or supplies shall include full compensation for all taxes, permits, and licenses that the Proposer is or may be required to pay.

## **13 Award of Contract**

- 13.1 The District reserves the right to accept or reject, in part or in whole, any and all Proposal responses and to waive any irregularities or informalities in any Proposal or in the Proposal process. The contract will be awarded to a responsible Proposer. Whose responses are most advantageous to the District, considering the relative importance of price and the other evaluation criteria which may be included in the proposal.
- 13.2 Award of the contract shall be made to the bidder who provides goods or services at the best value for the District taking into consideration the relative importance of price and other factors set forth below. Best value evaluation criteria will be grouped into percentage factors.
- 13.3 The District may, by written notice to contractor, cancel the contract if it is found by the District that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by contractor or any agent or representative of contractor, to any employee or members of the Board of Trustees with a view toward securing an order or securing favorable treatment with respect to the awarding or amending, or the making of any determinations with respect to the performing of such order.
- 13.4 A Proposer may be disqualified before or after an award is made, upon evidence of collusion with the intent to defraud, or perform other illegal activities for the purpose of obtaining an unfair competitive advantage.
- 13.5 It is expected that all contact by Proposer with any District personnel and/or members of the Board of Trustees begin with the issuer of this Proposal. Failure to follow this procedure is grounds for eliminating the Proposer from any further consideration of awarding the contract.

13.6 The recommendation to award the Proposal will be made to the District Board of Trustees. No contract shall be executed until it has been reviewed and approved by the Board of Trustees in a duly called and posted meeting of the Board.

13.7 In connection with the performance of work under the contract, the Proposer agrees to comply with the Fair Labor Standard Act, Equal Opportunity Employment Act, and all other applicable federal, state, and local laws, regulations, and executive orders to the extent that the same may be applicable. Davis-Bacon Act and Related Act contractors and subcontractors must pay their laborers and mechanics employed under the contract no less than the locally prevailing wages and fringe benefits for corresponding work on similar projects in the area.

#### **14 Non-Appropriation Clause**

14.1 Any/all contracts exceeding one (1) year will require a standard non-appropriation clause. Renewal of contracts will be in accordance with Local Government Code 271.903 concerning non-appropriation of funds for multi-year contracts. #### **17 Non-Performance**

17.1 Immediate non-performance of the Proposer in terms of specifications shall be a basis for the termination of the contract.
