

MALVERN MP FRIAR CLUB

Friar Club Mission

In the spirit of our Augustinian Core Values, the mission of Malvern Preparatory School's Friar Club is to enhance the development of our student-athletes, athletic programs, and alumni involvement by unifying support for Malvern Prep Athletics.

Friar Club Priorities

- Ensure that Malvern Prep Athletics maintains an optimal presence at the regional and national levels
- Raise awareness for athletic initiatives
- Promote alumni participation
- Connect with all members of the Malvern Prep Athletic Community-current students, parents, and alumni

Support The Friar Club

Blue & White Day - Gifts on Blue & White Day enhance the development of our student-athletes and athletic programs. Your support helps ensure our student-athletes have access to first-rate equipment, facilities, and programs.

Banner Sponsorship Program - Malvern Prep invites businesses, organizations, families, and individuals to sponsor a Friar Club banner. Sponsoring a banner provides annual support of the Friar Club while promoting your organization or business to thousands of our visitors.
