Music Study

This month our students studied music. They listened to different types of music and also played different instruments. Students discussed with their teachers how each type of music is different. Some students even painted how they felt after listening to fast and slow songs. Of course, Santa had to stop by and lead our students with some Christmas classics!

Students in Mrs. Hazelet and Mrs. Egbert's class listened to the difference between an acoustic guitar and an electric guitar. They all starred in their very own rock band with Mr. Egbert!

Mrs. Foster and Mrs. Guenther's class listened and played instruments along with guitar playing!

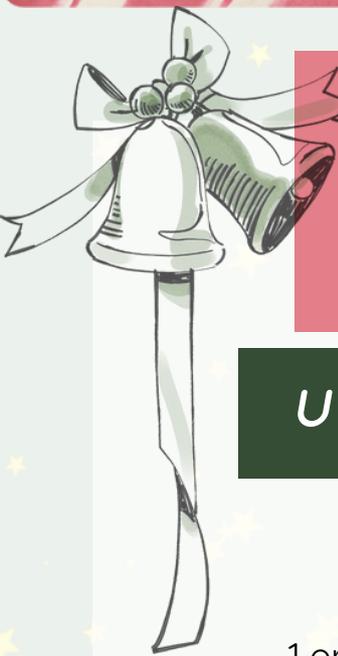

THANK YOU FOR THOSE WHO JOINED US AS WE TOOK A MAGICAL JOURNEY THROUGH THE DUNFEE SCHOOL TO MEET COMMUNITY PARTNERS, PLAY SOME HOLIDAY GAMES AND ENJOY SPECIAL TREATS WITH FELLOW DRAGONS!

Grandpa Ben came to visit Mrs. Egbert's class and talked about Hanukkah traditions such as lighting the menorah, celebrating for 8 nights, spending time with family and friends, playing dreidel and singing songs!

The Horbelt chorus
and the Barnegat
Grinch came
to spread some
Holiday cheer!!!

December Trait of the Month: Generosity

Emmanuel Panayiotou

"Emmanuel comes in every day with a smile. He immediately starts helping his friends get unpacked and write their name if they are struggling. He is always telling others that "they matter" and that he is proud of them. If another student needs help he is there right away without being asked to help. His patience, kindness and empathy are incredibly impressive. We are so proud of him."
