### Literacy Tip of the Week

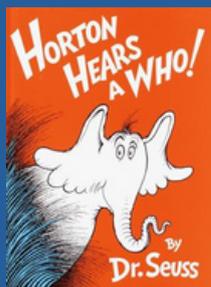

For a child, the **more time spent with a parent reading aloud** increases his or her level of attachment, enhances a sense of security, and imparts the knowledge that their parent feels they are worthwhile people with whom to spend time.

## Weekly Highlights

Tuesday, March 2 was Read Across America Day! Many of the district's staff made guest appearances in our classrooms to read stories to the students.

This week was Dr. Seuss Week, and our students celebrated each day by dressing like their favorite stories!

## Classroom Spotlight: Ms. Pyron & Ms. Scott

Ms. Pyron's class is having a paw-some time during their pet study! They used their engineering skills to build animal enclosures for horses, lions and tigers (oh my!). They also prepped for St. Patrick's Day by cutting and splatter painting lucky clovers.

Ms. Scott's class used their fine motor skills to cut and create their own Cat in the Hats. After crafting, one student practiced "cooking" her "green" eggs and ham. She was flipping those eggs like a pro chef!
