## Reading Tip

### Literacy Tip of the Week

Allow your preschooler to scribble letters without correction, use wipe-clean books and stickers freely, and take dictation while he/she tells you her ideas. In this way, he/she will discover the joy, power, and practicality of literacy and will be inspired to learn more!

## Weekly Highlights

This week, our students got their rooms ready for St. Patrick's Day by making their own lucky clovers!

Many of our classes also made cards of hope and love for our neighbors affected by a cancer diagnosis. You can mail your own letters to DDBCF, 364 North Main Street, Suite 10D, Manahawkin, NJ 08050.

# Classroom Spotlight: Ms. Josephs

Ms. Joseph's class kicked off their clothing study this week by painting with flip flops!

They also acted as fashion designers by styling shirts and pants with different textiles and colors. They even opened shop and used a cash register to "sell" their designs!

They also welcomed caterpillars to the room to watch them over the next few weeks as they transform into butterflies!
