

Jasper County Charter System
C. Kenny Garland, Ed. S., Superintendent
1411 College Street **706.468.6350**
Monticello, GA 31064 **706.468.0045 fax**

The Jasper County Charter School System will provide superior and innovative learning experiences to prepare every student for life beyond school.

For Immediate Release:

State School Superintendent Richard Woods today named 276 Advanced Placement (AP) Honor Schools from 99 school districts for 2024.

“I extend my heartfelt congratulations to the 2024 AP Honor Schools,” **Superintendent Woods said**. “I commend them for their hard work to build strong Advanced Placement programs and, as a result, provide high-quality opportunities for Georgia students. Additionally, I am thrilled that the number of AP Honor Schools and school districts continues to rise each year – a testament to the commitment of Georgia public education to expand opportunities for all Georgia students.”

The 2024 AP Honor Schools are named in eight categories, based on the results of 2024 AP courses and exams. Jasper County High School was recognized in 3 of the 8 categories.

AP Challenge Schools

Schools with enrollments of 900 or fewer students and students testing in English, math, science, and social studies.

AP STEM Schools

Schools with a minimum of five students testing in at least four AP STEM courses. (AP Calculus AB, AP Calculus BC, AP Statistics, AP Biology, AP Chemistry, AP Environmental Science, AP Physics 1, AP Physics 2, AP Physics C, AP Computer Science A, AP Computer Science Principles), and a minimum of 25 exams administered.

AP STEM Achievement Schools

AP STEM schools (see above definition) with at least 50% of all AP STEM exams earning scores of 3 or higher.

“I am extremely proud of the commitment from the students and staff in our system. This is the third year in a row (2022,2023, and 2024) in which our system has received this recognition.” Stated Superintendent Kenny Garland.

AP exams are administered by the College Board, which also administers the SAT. AP courses are one of several ways Georgia students can access college-level learning at the high school level; students who receive a 3, 4, or 5 on an AP exam may receive college credit. GaDOE began recognizing AP Honor Schools in 2008.
