

The State of the School Reviews 2024

February 27, 2024

State of the School Reviews

Purpose:

- School teams to share school improvement efforts with key stakeholders
- Share benchmark and progress monitoring data on student learning at the school level
- Share school improvement goals and activities to meet the goals, aligned with district's Outrageous Outcomes, and implementation of the district's five priorities

Non-Purpose:

- Evaluate the work schools are doing
- Make suggestions on how to make improvements
