**Summer 2024**

[cornerstonecca.org/summer-camp](https://cornerstonecca.org/summer-camp)

# CCA SUMMER CAMPS 2024

Cornerstone Christian Academy hosts a wide range of summer camps and activities each summer. Campers staying for lunch in between camps will need to bring a peanut-free lunch that does not require refrigeration or heating.

Refund policy: 100% will be refunded if the class does not meet the minimum number of campers. Otherwise, 50% will be refunded if your camper(s) is withdrawn after the first day, and NO refunds after the second day.

We are looking forward to an incredible summer here at CCA! We hope you'll join us!

## WEEK 1 JUNE 3-7

### **My First Lemonade Stand 9AM - 12PM** **K - 2nd // \$274**

Learn how to make sweet and tangy lemonade – and make money by selling it! Experiment with recipes, design flyers, learn how to count money, make change, and tally your profits. Then, in a showcase finale event, launch your lemonade stand, and sell, sell, sell, and raise funds for a charity student selects.

### **Cooking with Corey 9AM - 12PM** **K - 4th // \$225**

Cooking with Corey is designed to give students a love for cooking and the confidence to share that love with others. Corey Waters, our Middle School Principal and former Executive Chef will creatively instruct his students in the culinary arts! Learn to create culinary masterpieces from scratch! Students, this will be a very hands-on class and we get to eat what we create!

### **Little Birdies Elite Golf 9AM - 12PM** **K - 5th // \$320**

"100 Swings a Day Elite Golf Summer Camp" Sign your junior golfer up for an intense golf summer camp where kids will not only get in a minimum of 100 swings a day but will begin to learn about golf specific workouts that can improve their game over time. The day will include golf specific workouts, life skill lessons/STEM lessons, 100 swings full swing, pitching, putting, chipping, golf swing analyzer, and virtual golf. We are only accepting the first 10 kids who register!

## **My First Food Truck 9AM - 4PM**

**3rd - 5th // \$443**

Students select a food truck theme, design menus, estimate expenses, determine prices, and develop financial projections. Develop a business plan with a marketing strategy, capital-raising needs and more. This unique program offers a tasty way to develop business savvy.

## **Football Camp – Skills, Drills & Fundamentals 9AM - 12PM**

**4th - 8th // \$150**

Football Camp will consist of stretching, cone drills for offenses, hand and feet drills, defense drills, route running, break things down by position, do punt, pass, and kick competition, and a set of different drills each day.

## **Personal Finance 9AM - 12PM**

**6th - 8th // \$274**

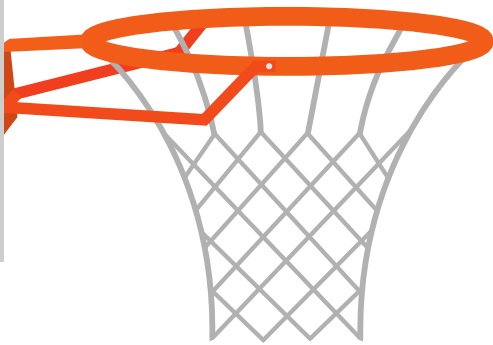

Learn how to manage your money in this program promoting essential life skills! Set your financial goals, develop a budget from scratch, shop for a credit card and calculate the monthly cost of your dream car. Students also learn about mortgages, FICO scores, taxes, and the dangers of piling up debt. Through simulations and hands-on activities, students explore financial decisions they will have to make in the future.

## **Hula Hoops & Mindful Movements 1PM - 4PM**

**1st - 4th // \$320**

We make fitness fun! Hula hoops improve balance, coordination and stamina plus improved confidence and social skills. Students learn hula hoop tricks and balancing poses plus play games, arts/crafts and engaging lessons that encourage self-regulation, daily mindfulness, and creative movement.

## **Basketball Camp – Skills, Drills, & Fundamentals 1PM - 4PM**

**4th - 8th // \$150**

Basketball Camp with Coach Phil will cover dribble drills, layup drills, shooting drills, cone drills with and without a ball, footwork for defense, one-on-one drills, two-on-one drills, two-on-two drills, and up to three-on-three drills.

## **LEGO Robotics 1PM - 4PM**

**K - 8th // \$260**

Build, code, play and learn. This STEAM camp will take you on a 100% hands-on learning adventure. Learn how simple machines work together using gears, sensors, and motors. Our students build a LEGO robot to solve unique problems. They will program it to bring it to life and upgrade their creation to complete a LEGO challenge. We build 8+ projects each week. The best part is we close our week with a LEGO theme party! Join us to play games, have snacks, and the chance to customize your own LEGO mini-figure to take home. Don't miss this chance and become an Engineer this summer.

**WEEK 1 JUNE 3-7**

# WEEK 2 JUNE 10-14

## Vacation Bible School

**June 10-12 Only // 9AM - 12PM**

**Age 4 - Current 5th grade // FREE**

Come and be a part of Setrus Ollow, an exciting VBS created and organized by First Colony Church of Christ. We invite all kids to join us for a week of fun-filled activities, where they will learn to SEE God in everything, learn to TRUST in Him, and FOLLOW wherever He may lead.

Please register through First Colony Church of Christ at

<https://www.firstcolonychurch.org/event/11515651-2024-06-10-vacation-bible-school/>

## My First Passport 1PM - 4PM

**K - 2nd // \$274**

This fun program helps students develop a global mindset and build international awareness early in life! Explore cultural differences across countries, geography games, famous landmarks, world currencies, current global events, the role of international institutions like the UN, and more. Students role-play as diplomats and come up with solutions to key global problems like hunger, poverty, and pollution.

## Circus Stars 1PM - 4PM

**K - 2nd | \$320**

We make fitness fun! Hula hoops improve balance, coordination and stamina plus improved confidence and social skills. Students will explore circus arts like hula hooping, juggling, spinning plates, balloon animals, face painting, circus stories and arts, crafts and more!

## Theater Biz 1PM - 4PM

**1st - 4th // \$274**

Are you a theater fanatic? Do you love acting, props, and skits and want to learn the business of theater? Join this hands-on theatrical camp where you'll learn about skits, financing a production, the production planning process, and more! This is a great opportunity to showcase your acting and theater skills while developing business skills for production.

## Cooking with Corey 1PM - 4PM

**5th - 8th // \$225**

Cooking with Corey is designed to give students a love for cooking and the confidence to share that love with others. Corey Waters, our Middle School Principal and former Executive

Chef will creatively instruct his students in the culinary arts! Learn to create culinary masterpieces from scratch! Students, this will be a very hands-on class and we get to eat what we create!

## Young Debaters 1PM - 4PM

**6th - 8th // \$274**

Learn the art of persuasion! Students work in rotating groups and practice their debating skills in a supportive environment, including developing arguments, issuing rebuttals, providing examples, rebuilding their case and summarizing points of view. Students learn to think on their feet and enhance their public-speaking skills, gaining self-confidence in the process.

# WEEK 3 JUNE 17-21

*\*Please note no camps on June 19th due to holiday*

## My First Farm Stand 9AM - 12PM

**K - 2nd // \$220**

Fun on the farm earns money at the market! Students learn how farm stand favorites are grown and raised and brought to local farm stands at their peak of freshness and flavor. Develop healthy eating habits while learning where our food comes from, how it is grown, and the people and jobs involved in the process. Students grow tomato seedlings and sell them at their very own farm stand – raising money for a charity of their choice.

## Coding Foundations 9AM - 12PM

**K - 2nd // \$230**

🧠 Develop a strong foundation in logic and computational thinking, the core of all learning and coding! 🖥️ Use the best in logic games and apps like Robot Turtles, Osmo, Lightbot, CodeKarts, and Code.org to practice overcoming logic challenges and prepare for more advanced topics! 🚀

## Fun, Faith, and Food with Mr. H2O's 9AM - 12PM

**K - 4th // \$150**

Students will play and laugh together, and learn how to serve others. Each day will be filled with a fun and energetic activity, student-created snacks, and life lessons that will encourage their faith and friendships.

## Little Ballerz Sports 9AM - 12PM

**K - 4th // \$225**

Little Ballerz will learn the fundamental skills for baseball and flag football as well as workout techniques that will help improve performance. The day will include:

- Sports Specific Workouts
- Life Skill Lessons/Social Emotional Learning Lessons
- ½ of the time - Baseball - Fielding, catching, throwing
- ½ of the time - Flag Football - stance, start and techniques
- Teamwork strategies

## Little Birdies Elite Golf 9AM - 12PM

**K - 5th // \$255**

"100 Swings a Day Elite Golf Summer Camp" will do just that. Sign your junior golfer up for an intense golf summer camp where kids will not only get in a minimum of 100 swings a day but will begin to learn about golf-specific workouts that can improve their game over time. The day will include golf-specific workouts, life skill lessons/STEM lessons, 100 swings full swing, pitching, putting, chipping, golf swing analyzer, and virtual golf. We are only accepting the first 10 kids who register!

## Minecraft with Modding in Java 9AM - 12PM

**4th - 8th // \$230**

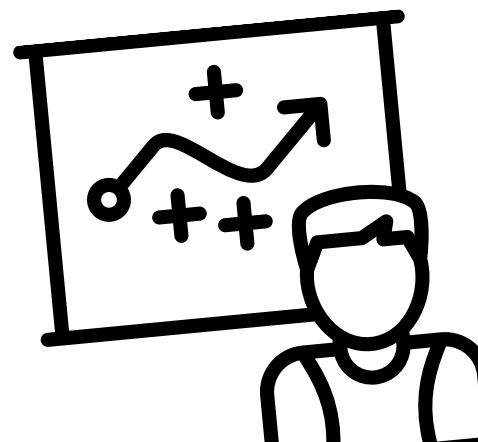

🌍 Take your love of Minecraft to the next level with our Minecraft Modding class. 🛠️ Using a combination of modding software and some custom skills anyone can do from home, this class is guaranteed to change the way you view Minecraft forever!

📝 Note: If you have a Minecraft account, you're welcome to bring it, otherwise we'll have plenty to go around.

## Sports Management 9AM - 12PM

**6th - 8th // \$220**

For the sports lover, future team General Manager, sports team owner, ESPN analyst, or coach, this unique program helps students view the world of sports from a business perspective. Students actively discuss and analyze different topics, including player contracts, mock drafts, college sports, endorsements, the Nike vs. Under Armour competition, the Super Bowl, e-sports, and more!

**Legos Robotics Camp 9AM - 12PM**  
K - 8th // \$285

**Legos Robotics Camp 9AM - 4PM**  
K - 8th // \$540

**Legos Robotics Camp 1PM - 4PM**  
K - 8th // \$260

Build, code, play and learn. This STEAM camp will take you on a 100% hands-on learning adventure. Learn how simple machines work together using gears, sensors, and motors. Our students build a LEGO robot to solve unique problems. They will program it to bring it to life and upgrade their creation to complete a LEGO challenge. We build 8+ projects each week. The best part is we closed our week with a LEGO theme party! Join us to play games, have snacks and the chance to customize your own LEGO mini figure to take home. Don't miss this chance and become an Engineer this summer.

**Artful Engineers 1PM - 4PM**  
K - 2nd // \$165

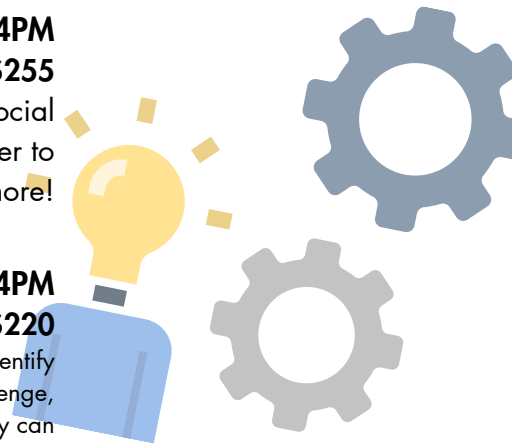

Immerse yourself in a captivating fusion of art, color, and science at our innovative camp. Campers will explore the world with a fresh perspective, delving into hydraulics, structure and design, optical illusions, noise, and more. Dive into hands-on experiences that inspire fresh ways of seeing and thinking, igniting a lifelong appreciation for the beauty of science and art.

**Hoopster Stars 1PM - 4PM**  
1st - 5th // \$255

Improves Balance, coordination and stamina plus improved confidence and social skills. Students will learn impressive hoop tricks and how to put them together to create routines. Play hoop games, contests, and more!

**Little Inventors 1PM - 4PM**  
3rd - 5th // \$220

In this "inventive" program, students design and create solutions to problems, teaming up to identify the need for a new invention, and producing real structures and solutions. In one STEM challenge, students build bridges using a variety of materials and experiment with how much weight they can hold. Students will also learn about famous inventors and discuss how inventions improve our lives.

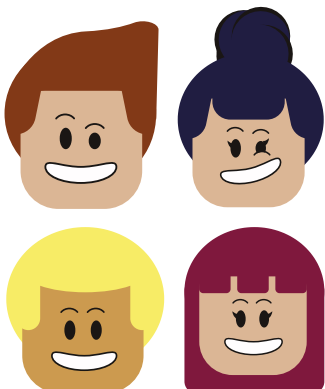

**Beginner Fencing 1PM - 4PM**  
1st - 8th // \$200

EN GARDE! The Bayou City Fencing Academy is pleased to offer children the opportunity to experience the Olympic sport of fencing. Fencing is a fast-paced sport that develops physical fitness and one's ability to think quickly and act decisively. It is an international sport practiced by people of all ages and abilities. Campers will learn the tactical and technical skills of the sport in a fun, safe and exciting way. They will learn the footwork, blade work and exciting history of Fencing. Most of all there will be plenty of time to practice the art and skill of the sport. All equipment will be provided for the camp.

**Code Roblox Games 1PM - 4PM**  
4th - 8th // \$230

🎮 Dive into the world of game design with Roblox! Learn how to create your own immersive games using Roblox Studio. This course covers everything from terrain building 🏡 to scripting 📄, enabling students to bring their unique game ideas to life. ⭐

*\*Please note no camps on June 19th due to holiday*

**WEEK3 JUNE 17-21**

# WEEK 4 JUNE 24-28

## Sneak Peek into Kindergarten 9AM - 12PM

### Entering Kindergarten // \$200

This fun and engaging week with Ms. Martinez will give you a preview into the world of kindergarten. Our summertime focus will be on letter recognition, letter sounds, writing formation, number recognition, number sense, and social skills. These activities will be taught in a fun and engaging environment that includes lots of active learning and laughter. This will be a great class to do as a step up into kindergarten!

## Soccer Shots 9AM - 12PM

### PK4 - 2nd // \$225

Our camps feature a professionally developed curriculum designed to provide your child with a fun-filled week centered around the world's greatest game. Each day will provide the perfect mix of skill development, challenging games, team-building activities, leadership training, and fun. Soccer Shots provides all the equipment needed for each session.

## ScratchJr Coding 9AM - 12PM

### K - 2nd // \$230

Use ScratchJr to create projects using Code and learn the basic principles of computer programming. Snap coding blocks together to create a portfolio of coding projects in preparation for Scratch. Projects will be a combination of animations, stories, and simple games.

## Little Inventors 9AM - 12PM

### K - 2nd // \$274

In this "inventive" program, students design and create solutions to problems, teaming up to identify the need for a new invention, and producing real structures and solutions. In one STEM challenge, students build bridges using a variety of materials and experiment with how much weight they can hold. Students will also learn about famous inventors and discuss how inventions improve our lives.

## Fencing Beginner & Continuing 9AM - 12PM

### 1st - 8th // \$235

EN GARDE! This 5-day fencing camp is designed for beginners and campers who want to continue the fencing experience. Basic tactics and techniques will be the cornerstone of the program. An emphasis will be placed on thinking strategically while understanding that all actions have consequences and that fencing requires a great deal of discipline and focus. Using the electronic scoring equipment campers will participate in skill and tournament practices. Training will be geared to having fun, getting fit and learning something new and different. All equipment will be provided for the camp.

## Little Birdies Elite Golf 9AM - 12PM

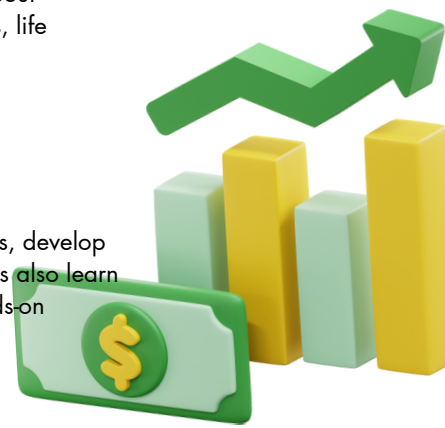

### K - 5th // \$320

"100 Swings a Day Elite Golf Summer Camp" will do just that. Sign your junior golfer up for an intense golf summer camp where kids will not only get in a minimum of 100 swings a day but will begin to learn about golf-specific workouts that can improve their game over time. The day will include golf-specific workouts, life skill lessons/STEM lessons, 100 swings full swing, pitching, putting, chipping, golf swing analyzer, and virtual golf. We are only accepting the first 10 kids who register!

## Personal Finance 9AM - 12PM

### 3rd - 5th // \$274

Learn how to manage your money in this program promoting essential life skills! Set your financial goals, develop a budget from scratch, shop for a credit card and calculate the monthly cost of your dream car. Students also learn about mortgages, FICO scores, taxes, and the dangers of piling up debt. Through simulations and hands-on activities, students explore financial decisions they will have to make in the future.

## Code Video Games in Scratch 9AM - 12PM

3rd - 6th // \$230

Learn to code, and make awesome video games, and stories at the same time! Scratch is a programming language invented by the geniuses at MIT and is a great place to get some experience coding whether it's your first time, or you're a returning student!

## Volleyball Skills Camp 9AM - 12PM

4th - 5th // \$150

This camp is designed to build and develop the fundamental skills needed for volleyball: passing, setting, hitting, serving, and court sense. Campers will work through drills to develop their skills, play in game situations, and have lots of fun! The camp is led by CCA volleyball coach, Emily Fenstemaker. All skill levels welcome! There is a minimum of 8 campers per session. No maximum.

## Business of Entertainment 9AM - 12PM

6th - 8th // \$274

Learn about the entertainment world by exploring the platforms of today and tomorrow, and examining cutting-edge producers, such as Meta and Spotify. Students learn about marketing, intellectual property, royalties, distribution, and more – all while researching careers in the entertainment industry and building a business background.

## Cooking with Corey 1PM - 4PM

K - 5th // \$225

Cooking with Corey is designed to give students a love for cooking and the confidence to share that love with others. Corey Waters, our Middle School Principal and former Executive Chef will creatively instruct his students in the culinary arts! Learn to create culinary masterpieces from scratch! Students, this will be a very hands-on class and we get to eat what we create!

## Lego Robotics Camp 1PM - 4PM

K - 8th // \$260

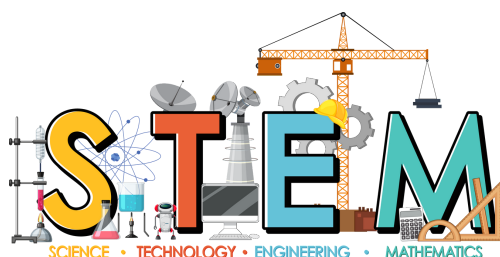

Build, code, play and learn. This STEAM camp will take you on a 100% hands-on learning adventure. Learn how simple machines work together using gears, sensors, and motors. Our students build a LEGO robot to solve unique problems. They will program it to bring it to life and upgrade their creation to complete a LEGO challenge. We build 8+ projects each week. The best part is we closed our week with a LEGO theme party! Join us to play games, have snacks and the chance to customize your own LEGO mini figure to take home. Don't miss this chance and become an Engineer this summer.

## STEM Explorers Sr. 1PM - 4PM

3rd - 6th // \$195

Explore a sampler of Science, Technology, Engineering, Arts, and Mathematics in this camp. Campers will immerse themselves in a diverse journey encompassing evolution, force, conductivity, music, and much more.

Through hands-on experiences and dynamic lessons, they'll explore the intricacies of each STEAM domain, kindling creativity, sparking innovation, and nurturing a lifelong passion for learning.

## Code Websites 1PM - 4PM

4th - 8th // \$230

🌐 Learn the building blocks of the web. This course introduces HTML and CSS, the primary languages used to create and style websites. Students will learn how to structure web pages and style them to create visually appealing designs. 🎨

## Volleyball Intermediate Camp 1PM - 4PM

6th - 8th // \$150

This camp is designed to build and develop the fundamental skills needed for volleyball: passing, setting, hitting, serving, and court sense. Campers will work through drills to develop their skills, play in game situations, and have lots of fun! The camp is led by CCA volleyball coach, Emily Fenstemaker. All skill levels welcome! There is a minimum of 8 campers per session. No maximum.
