In order for a student to attend class, his/her attire must comply with the dress code policy. Parents will be contacted to provide proper attire should their child arrive at school and not be in compliance with the school's policy. Persistent noncompliance with the policy will be addressed by campus administration. Students will be expected to dress appropriately at all school functions. Students must be in compliance with the school dress code while on field trips. The campus administrator will make the final decision on any questionable garment.

I HAVE READ AND UNDERSTAND THE DRESS CODE AND AGREE TO COMPLY WITH IT AS WRITTEN.
