

TB Screening

Kansas statute requires all students to complete a screening for tuberculosis before beginning their first semester. This screening is not part of the application process and will not be used to determine admissions to Allen Community College. This is only a screening, you DO NOT need to see a doctor or be tested for admission.

NAME:

1. Do you have any of the following symptoms: lasting cough, coughing up blood, fatigue, fever, loss of appetite, or weight loss?

YES NO

2. Have you been diagnosed with active TB?
