Online Tools

ESI provides return-to-work services for our district's employees. ESI offers the following online tools to help you get the information you need to decide if the program is right for you:

ESI Retirement Video

This short, informative video about the RetireRehire program provides next steps when you are ready to retire, including seeking district approval, contacting ASRS, and applying to ESI. Especially helpful is information about insurance options and calculating your new, estimated RetireRehire salary. To view the video and other online RetireRehire information, please check out the RetireRehire section of our website: [RetireRehire Information and Video](#)

ESI Retirement Webinar

Available to everyone! Starting October 6th, ESI will host a live RetireRehire webinar the first Wednesday of every month at 4pm. You can register for any 2021-22 session here: [ESI Retirement Webinar](#)

Ask ESI

Do you have individual questions? Here is a 1:1 scheduling system so you can book a personal phone appointment with a member of the ESI team. We look forward to answering your questions on our RetireRehire program, but we'll leave the financial planning advice to the experts. Schedule here: [ESI Phone 1:1](#)
