Please help your child come to school prepared with outerwear and footwear appropriate for the weather as we walk that thin line between winter and spring. We will attempt to be outdoors for recess as often as possible.

The calendar is quite full over the next couple of months. Please note that students will take their 3rd and final MAP as-

sessments of the year in the weeks leading to Spring Break. This assessment allows us to track their growth throughout the course of this school year in Math and Reading. Please help encourage your child to "show what they know" on MAP in March.

We are proud of all of the hard work on the part of directors and students leading to this weekend's performance of *Shrek Jr.*. Break a leg!

The 3rd quarter wraps up on Friday, March 8. Please help your child look towards the 4th quarter as a chance to

"finish strong!" Looking ahead to April, we will have our state testing. Stay tuned for dates.

Please email or call us if we can ever be of assistance or answer any questions.

Please remind your children that cell phones, while allowed at school, should not be seen or heard during the school day. Phones should be on silent and stored in a safe place. Thank you.

Please follow your child's specials schedule and help make sure he/she wears proper footwear for physical education class. For safe participation, tennis shoes/sneakers are required. Crocs, boots and sandals impede safe participation in the gym.

GROWING GREATNESS

Congratulations to team 521/522 and team 671/672 for earning the **Physical Education Spike's Sportsmanship** award for the month of February. Thank you for demonstrating positive behavior, respect and hard work!

SAFETY FIRST: REMINDERS

Parents should drive AROUND the building (following the designated car lane) to drop students and pick students up in the afternoons at EXIT 2 ONLY.

All car-riders will be dismissed at Exit 2 in the afternoons and are expected to be dropped off there as well.

ALL morning drop off should happen at EXIT 2, using the car lane and driving all the way around the building. This includes choir, band and orchestra.

Students should never be let out of vehicles in the parking lot containing school bus traffic.

Crossing guards will be available to assist walkers.

Please remember that the bus and car lanes designated by identifying marks on the pavement, cones and a sign are to be observed during the hours of 7:50am-8:40am and 3:00-3:40pm for the safety of our students and staff.

There is parking available behind the gym at the back of the building if you need to enter the building during these times. Follow the car lane for this parking.

Library News

It's March Madness Time. Not just ANY March Madness, but Lakeview's 9th Annual March Madness of BOOKS! If you're curious about the top books being read by 5th and 6th graders this year at Lakeview, you'll soon find out as the students vote for their favorites in March. Our library provides a diverse selection to meet the needs of all our many student reading levels, maturity levels and interests. Given that, your child is often reminded they should always be checking in with parents/guardians for permission for their pleasure reading choices. Never hesitate to reach out to me directly if you are curious about any book in our collection, st_worcester@smfcsd.org.

March Counselors Corner- Mrs. DiEugenio- 5th grade and Mrs. Smith- 6th grade

Greetings Parents!

Welcome to the end of the 3rd quarter! We can't believe it is nearly the 4th quarter and with that we thank you for your continued support of your student! This month, Lakeview's theme will be Inclusion and dealing with diversity. Both 5th grade and 6th grade classroom lessons involve acceptance, finding commonalities with others, and tolerance.

K-kids will be meeting on March 12th from 3:15-4:15p.m.

This month K-Kids will be working with the high school students from the Interact club to make blankets for a local hospital. Hopefully this will inspire our students to continue to volunteer throughout middle school and high school.

As always, we appreciate your support. Please let us know how we can help.

Sincerely,
Sarah Smith

From the Classroom—Team 56

Students from Team 56 were taught to write poems with poetic techniques. Their prompt for inspiration was *Home is Where the Heart Is*.

Park Poem

Written by Amelia Jane Schofield

In the park,
The big red park,
The one with that big red slide,
The fireman's pole that holds up
the sky!

The park runs alongside us,
As we chase around,
Tag, you're it!
With this kind of
fun, nobody quits!

Fun starts here,
So does cheer,
In the park,
The big red park.

Kitchen

Written by Giuseppe Rucci

Where eggs are scrambled
with butter, salt, and pepper
trying to reach their full potential.

Toast is shooting up like rockets from NASA space
building, ripping through the air
getting out of the atmosphere.

Pasta and soup boils
with Plops and Blorps and Sizzles
with spices and perfection.

Veggies are sliced and diced, charred, and molded with flavor.
Now your meal is served with love, taste, and perfection.

Home, Myrtle Beach

Written by Kyleigh Spears

Here my heart is trapped
in the sandy outdoors
Where I can see the seagulls flap, flap, flap
And hear the ocean **ROAR, ROAR,**
ROAR

Of course I can't stay here forever,
but wouldn't that be a true delight
to grow up here in wonderful weather
and always enjoy this beautiful sight.

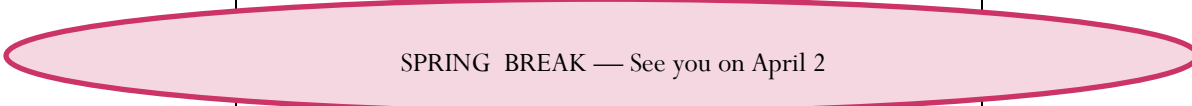

Myrtle Beach, what a wonderful place
it's very, very, **big, BIG, BIG**
and though it's sometimes crowded, I really
do enjoy it
'cause there's lots of space to **dig, DIG,**
DIG
and create animals like perhaps, a pig

Exactly what I've long been dreading
it's time for me to move my feet
but know that you feel like home
and next year we will meet.
