PJAS – Trinity’s Winning Tradition

In February, Mr. Smith, Mrs. Walk, and Mrs. Welsh sponsored 61 students at the Pennsylvania Junior Academy of Science at PennWest-California. THS students did outstanding by earning 52 first place awards, 9 second place awards, 10 perfect scores, and 7 special awards. Special thanks go out to our administration for supporting us and allowing our students to have this experience, and a special thanks to the several science department members and their spouses who traveled to judge projects: Mrs. Helmkamp and her husband, Mr. Columbus and his wife, and Miss Finley. The students who received a first place award will present in May at the state competition at Penn State University.

Perfect score awards: Olivia Angelo, Alexander Berry, Abigail Bodart, Connor Bradley, Rogan Cavanaugh, Vittoria Emerich, Isabella Jobes, Carter Jobes, Morgan Layhue, and Leah Wall

Istoria: Literary Journal of Trinity High School Earns 1st Place!

The 2022–2023 edition of Istoria: Literary Journal of Trinity High School earned a First Place Award from the American Scholastic Press Association! The Literary Journal is a student-run literary magazine, highlighting both original writing and artwork from students in grades 9–12, staff members, and alumni. Congratulations to advisor, Ms. Kristen Shaw, and her talented staff on their impressive recognition!

Congratulations!

SCHOOL COUNSELING: STANDARDS-BASED, STUDENT-FOCUSED

A heartfelt thank you to all the dedicated school counselors who guide, inspire, and support Trinity students on their journey. A big shoutout to Mrs. Amaismeier, Ms. Burns, Mrs. Coughlin-Lemmon, Mrs. Gallagher, Mr. Hughes, Mr. Nikolopoulos, Mrs. Opferman, Mr. Poletti, and Ms. Watson. Your impact is immeasurable! Let's recognize and appreciate these unsung heroes.

10 Years and Counting for the LSA Grant!

This year, Trinity Area was again awarded a generous sum of money from the LSA Grant: \$61,425.00. The money will be used for equipment to incorporate 3D printing with lithography, 3D printing with metal, a CNC woodworking machine, and an additional epilog laser. With this grant, Trinity will continue to build the career and technology programs so high schoolers can train for real jobs and positively influence the economic development of the region. Currently, Trinity has partnered with approximately 120 local businesses, industries, and organizations that help the District map practical curriculum, which invites students to learn and practice 21st Century skills, begin their post-secondary training, and obtain industry certifications. With the assistance of the LSA Grant and input from community leaders, Trinity will continue to expand opportunities for students and adult community members to utilize technology and prepare for careers. We sincerely thank the community leaders, LSA Committee, Washington County Commissioners, Jeff Kotula, Senator Bartolotta, and Representative O'Neal, who have entrusted the District with \$795,523.00 over the past 10 years! Their generosity and excitement for Trinity's vision have helped to carve pathways to success.

Congratulations to Mrs. Nicolle Bazant-Pleil and Trinity Food Service!

A resounding TRINITY “congratulations” echoes through the air as we celebrate our exceptional Food Service Heroes!!! Their unwavering commitment to providing nourishment for both minds and communities in Southwestern Pennsylvania has garnered them the prestigious Child Hunger Hero Award. In the daily hustle, the hard work and dedication of these unsung heroes often go unnoticed, but their impact is immeasurable. Thanks to their tireless efforts, our students and community not only receive sustenance but also the opportunity to learn and grow. We extend our heartfelt appreciation and kudos to these remarkable individuals, who go above and beyond to embody the true spirit of community champions.

Trinity is Taking Pride in... ACADEMICS, Arts, and Athletics

The Spanish and German clubs at the high school prepared for the celebration of "Carnaval" in Spanish and "Karneval" in German by decorating the hallways between the foreign language classrooms. These decorations will be posted through National Foreign Language Week, which takes place during the first week of March. Students will participate in various cultural activities during this time.

MathCounts

Several TMS students competed during exploratory time for the chance to represent Trinity at the annual MathCounts Competition. Caleb Angelo, Ella Berry, Gillian Bissett, Kaylee Fortney, Kallie Georgalas, Ella Hunsberger, Madalyn Nickel, McKenna Nonack, Hadley Schreyer, Jenna Simpson, Kalina Sten, and Bianca Sunseri challenged their peers and earned the honor to compete as part of the TMS MathCounts team. In addition, Maddie Nickel (Captain), Kaylee Fortney, Ella Hunsberger, and Ella Berry earned a spot in the top four and competed together as a team. Maddie Nickel finished in the top ten and the team finished third overall. Mr. White coached the students and found great success. Our mathematicians made it a great day to be a Hiller!

Students in grades 1-3 traveled to Fort Cherry Elementary Center to compete in the America Bowl in February. Prior to the competition, students studied the states and capitals, state locations, state nicknames, and fun facts about the states. At the competition, students earned points by building a puzzle of the USA, playing state Pictionary, placing state capitals on the correct states, and answering trivia questions about the states. Team Trinity put forth a lot of effort preparing for the competition, and had exceptional teamwork at the competition. Congratulations to Team Trinity for coming in 1st place!

Trinity is Taking Pride in... ACADEMICS, Arts, and Athletics

The Trinity High School Mock Trial Team returned this year to compete against Connellsville and Peters Township's "A" team. Students who competed for Trinity included Olivia Angelo, Collin Berry, Lauren Bliss, Zach Dames, Natalie Ewbank, Maria Giorgi, Caden Miller, Jack Pan, and Cadence Wright. Assaad Nassar served as a timekeeper. In the first trial, Maria Giorgi was named best witness and Jack Pan was named best attorney. In the second competition, Lauren Bliss was deemed the best witness and Maria Giorgi was named best attorney.

Washington County FFA Milk Quality and Product Career Development Event!

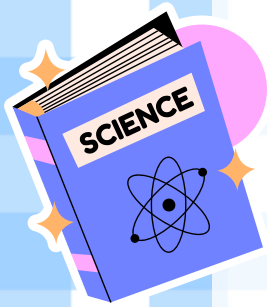

Trinity FFA hosted the Washington County FFA Milk Quality and Product Career Development Event. The schools that participated in the contest were Avella, Fort Cherry, McGuffey and our very own Trinity FFA.

Trinity FFA placed 1st out of 11 teams. Team members: Isabella Jobs, Isabella Hull, Alexa Melendez and Miranda Schury.

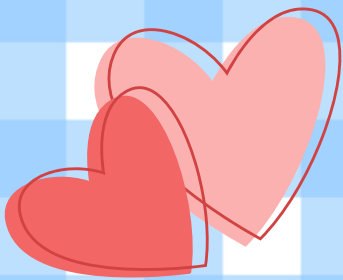

The contest consisted of cheese identification, quality of milk, milk fat and team scenario presentations.

Trinity is Taking Pride in... ACADEMICS, Arts, and Athletics

Students in grades 4 and 5 traveled to the Carnegie Museum of Natural History for the Science Bowl. At the academic competition, students moved between three stations: Fossil Exploration, Dinosaur Discovery, and a Mammal Inquiry Scavenger Hunt. A huge congratulations to Brice, Nicholas, Drake, and Kasen for coming in 1st place out of 30+ teams! Excellent job!

Mrs. Lape's first grade at Trinity East, along with Ms. Shaw's third grade classes, participated in a Valentine exchange with schools across the continental United States. Each class sent out 24 letters highlighting their school's population, classes, and favorite activities. The letters also shared about the history and uniqueness of Southwestern PA. A special piece of art created by students was also included in the special delivery. As each letter was received, students found the school on the map and read about each school and the area where it is located. It was so exciting to receive the letters and artwork and learn about schools from all over!

2024 Biggest Loser Competition and the winners are... Nick West and Susan Crawford!

Always ready to help students and adults develop healthy habits, Trinity Area nurses organized and facilitated this year's Biggest Loser competition for teachers and staff. They shared an important message: Maintaining a healthy weight and BMI lowers the risk for Type 2 Diabetes and heart disease, levels cholesterol and blood pressure, and links to a more positive mental outlook. The first place winners were Mr. Nick West, health/PE teacher at Trinity Middle School, and Mrs. Susan Crawford, first grade teacher at Trinity North. With Mrs. Crawford leading the group, teachers at Trinity North lost the biggest percentage of weight, district-wide. The top three winners in both men's and women's weight loss categories were awarded a cash prize, and the remaining money from the pot was donated to the Hiller Holiday Helpers fund. Congratulations to everyone who participated in this contest for a great cause!

Trinity's own Director of Curriculum and Instruction, Dr. DeMore Savine, stopped by Trinity North and helped with the Valentine's Day morning announcements!

Virtual Reality

Exciting news! This spring, Trinity classrooms will be transformed with Virtual Reality equipment! Join Curriculum Director, Dr. DeMore, and Board Director, Mrs. Eates, as they embark on an immersive journey to Mars. Get ready for an out-of-this-world learning experience!

Combining School Work with Employment!

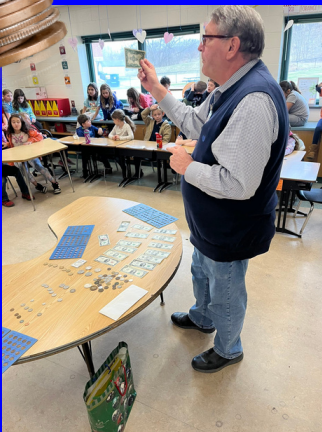

Mrs. Bazant-Pleil, Director of Food Services, is mom to Holly, a four-month-old puppy who was recently groomed by professionals for the first time. While Holly was enjoying a spa day at Pawleashed in McMurray, she managed to escape from the facility. Lillian Chadwick, Trinity senior and vet tech student who happened to be shadowing groomers at Pawleashed, sprung into action and rescued Holly from the street. Extremely grateful, Mrs. Bazant-Pleil explained, "Lillian was our angel, and her quick thinking helped save Holly from being injured!" Lillian was happy to assist and communicated that she thoroughly enjoys the vet tech program, which provides her with real-life experience that she can draw upon should she wish to work as a dog groomer after graduation. Thank you, Lillian, for your quick attention and kindness! ❤️

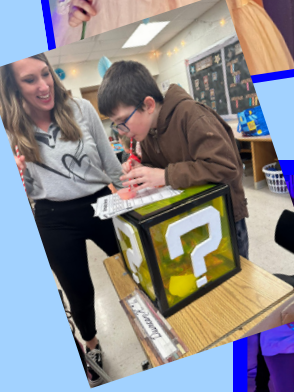

Student Advisory Committees Meet with Dr. Lucas!

Thank you to School Board Director, Mr. Greg Rudman, who shared his coin collection with second graders, as they were learning how to count money in math class. Students were very interested to learn about Mr. Rudman's collection, and to engage in this hands-on learning opportunity!

February Was Filled With Wonderful Events Across the District!

WHO WE ARE

Jacquelyn Vanderloos

Trinity High School

#TRINITYFAMILY

Mrs. Jacquelyn Vanderloos graduated from Fort Cherry High School and earned her bachelor's degree in liberal studies from California University of Pennsylvania. During her time there, she served as a peer advocate and resident assistant. She completed her master's degree in special education at Point Park University. Mrs. Vanderloos showcased her dedication during her student teaching at The Watson Institute South, where she developed the skills that make her an outstanding special education teacher at Trinity High School. Currently, she co-teaches Economics, Sociology, World History, and Emerging World. Mrs. Vanderloos is also a member of Kappa Delta Pi and the Council for Exceptional Children. Her educational journey demonstrates her passion for making a positive impact on the lives of students.

Cool Facts: Mrs. Vanderloos and her husband, a middle school science teacher for the Pittsburgh Public School District, have two children: a ten-year-old daughter and a six-year-old son. She often plays the role of chauffeur to her children, attending their after-school events and weekend activities. She finds joy in quality moments with her family, engaging in activities like camping, biking, hiking, swimming, and recently taking up skiing. Mrs. Vanderloos had the unique experience of living in Juneau, Alaska, for three years. She attended the University of Alaska Southeast and worked for the Juneau Alliance for Mental Health. She lived in the small Alaskan village of Point Lay, where she took on various roles, such as paraeducator, librarian, substitute, and even high school girls' basketball coach. The challenges she faced, including taking small planes to basketball games amidst blizzards, highlight her adventurous spirit and resilience in adapting to diverse environments.
