Principal's Message

Jessica Tejada

Every Child in the Edgewood Elementary family is valued and nurtured to become a well-rounded individual through our academic, fine arts and physical education classes. Teachers and staff are also part of the Edgewood family. We always want what is best for our Edgewood children as they mature and grow through the grade levels. Therefore, we set high expectations for our students and ourselves as educators. We firmly believe our foundational teaching and care prepare students for the rigors of middle and high school ... and beyond.

About Edgewood

Greater than 15% of Edgewood teachers, staff and administrators have more than 11 years of education experience. They have built long-lasting and deep relationships with families and understand the needs of the school community. Staff members are highly qualified, and some possess advanced degrees and certifications that enhance the instructional experience.

English Language Learners

Edgewood offers a One-Way Dual Language program for English language learners. In the early grades, core subjects are taught in Spanish. Once students progress to third grade and beyond, some lessons are taught in English. The goal is for students to emerge as bilingual, biliterate students. Dual-language abilities are highly sought after in many careers. A commitment by teachers and staff to building these foundational language skills contributes to the successful outcomes of Edgewood students.

Special Education

Based on individual needs and plans for meaningful progress, a blend of programs and services supports students with diverse learning needs and abilities. In partnership with families, teachers and staff ensure that each student has the opportunity to reach their full potential. With a focus on fostering independence, life skills and vocational readiness, the continuity of special education programs in Spring Branch ISD empowers students with the tools they need to thrive academically and in their future pursuits.

Physical Education

The health and fitness of students are important elements to the success of Every Child at Edgewood Elementary. Each year, in addition to regularly scheduled and energy-filled health fitness classes, students have opportunities to participate in a wide variety of on-and-off campus fitness events.

Fine Arts

The music and art programs at Edgewood nurture the development of each child by providing settings to express creativity and self-expression. Many opportunities to publicly perform and proudly exhibit art occur throughout the school year.

Inspiring Minds. Shaping Lives.
SBISD's promise to our community.

Our vision is T-2-4. Every SBISD graduate will attain a **technical certificate, military training**, or a **two-year** or **four-year degree**. Our Core Characteristics of a T-2-4 Ready Graduate define the traits we commit to developing in Every Child during their years in SBISD.

Student Supports

- A full-time school counselor provides guidance and care for students and families.
- A Communities in School (CIS) liaison collaborates with school staff to provide additional support and connections to community resources.

Family Communication

Below are ways Edgewood Elementary communicates with families:

- Newsletters
- Class Dojo
- X (Twitter): @ewesbisd

Be an active member of our school community.

We love our school families! We encourage them to join the PTA, as well as become district-approved volunteers to support the campus in a variety of ways. Family members also have the opportunity to contribute to the school community by serving as members of our Campus Improvement Team.

Contact the school at **713.251.5600** for details.
