Principal's Message

Anabel Taylor

We are honored to belong to the Hornet family. Like a family, we work hard to meet the needs of every student and their families. We prioritize community efficiently with our families and meeting the needs of our Hollibrook community. Strong staff collaboration allows for a positive school environment and the focus needed to reach our goals. We love and appreciate students and the families we serve.

About Hollibrook

Hollibrook Elementary offers exceptional and rigorous programs to support students in all areas of development. Teachers and intervention staff offer support for goals students set for themselves. Communities in Schools (CIS) provides support for families utilizing partners in the community that contribute many needed services. The counselor utilizes a curriculum that allow students to learn and become strong and productive citizens of the community. This program includes Core Characteristics of a T-2-4 Ready Graduate and other areas of development.

English Language Learners Program

At Hollibrook, students continue learning in their first language while stepping stones to support a strong second language acquisition are introduced and actively incorporated into lessons. A commitment to building foundational language skills by teachers and staff contributes to the successful outcomes of Hollibrook English language learners.

Special Education

Based on individual needs and plans for meaningful progress, a blend of programs and services supports students with diverse learning needs and abilities. In partnership with families, teachers and staff ensure that each student has the opportunity to reach their full potential. With a focus on fostering independence, life skills and vocational readiness, the continuity of special education programs in Spring Branch ISD empowers students with the tools they need to thrive academically and in their future pursuits.

Physical Education

The health and fitness of students are important elements to the success of Every Child at Hollibrook Elementary. The physical education program provides activity-filled opportunities for students to develop age-appropriate fine and gross motor skills. Conversations and lessons about healthy choices that students can make to stay fit and grow healthy are also components of the program.

Fine Arts

All students have opportunities to express artistic abilities through the art and music programs. Students learn techniques and create projects that are shared with families. To build confidence and pride, each grade level has art and music presentations to share with families and the community.

Gifted & Talented

We actively promote identification of gifted and talented students at Hollibrook. Gifted & Talented (GT) students are provided a strong curriculum and experiences designed to promote self-directed learning opportunities, stretch their thinking and build research and communication skills.

Inspiring Minds. Shaping Lives.
SBISD's promise to our community.

Our vision is T-2-4. Every SBISD graduate will attain a **technical certificate, military training**, or a **two-year** or **four-year degree**. Our Core Characteristics of a T-2-4 Ready Graduate define the traits we commit to developing in Every Child during their years in SBISD.

Student Supports

- A full-time school counselor provides guidance and care for students and families.
- A Communities in School (CIS) liaison collaborates with the school staff to provide additional support and connections to community resources.
- Student tutorial sessions and periodic Saturday Camps provide students extra academic supports.
- Bus service is available to after-school care at the Boys & Girls Club of Greater Houston

Family Communication

Below are ways Hollibrook Elementary usually communicates with families:

- Class Dojo
- Teacher connections with families made during Meet the Teacher event
- Callouts, email and flyers
- X (Twitter): @HBEhornets

Be an active member of our school community.

We love the families of Hollibrook! We encourage them to join the PTA, as well as become district-approved volunteers to support the campus in a variety of ways. Family members also have the opportunity to contribute to the school community by serving as members of our Campus Improvement Team.

Contact the school at **713.251.5800** for details.
