

# Irondequoit Eclipse Fest: Together in Totality

## MAD LIBS

On April 8<sup>th</sup>, 2024 there will be a \_\_\_\_\_ solar eclipse that will

Adjective

be visible from our \_\_\_\_\_ town of Irondequoit, New York.

Adjective

We are so lucky to be able to view this once-in-a-\_\_\_\_\_

Length of Time

event! You might get so excited that you will \_\_\_\_\_ up and

Verb

down or \_\_\_\_\_ in disbelief. The totality part of the eclipse is

Verb

going to last a whole \_\_\_\_\_! Before and after totality, you

Length of Time

will have to make sure to wear eclipse glasses to protect your

\_\_\_\_\_, though. You can tell your friends and family and

Body Part

\_\_\_\_\_ that you know all about eclipses and why they

Name for a Pet

happen. After all, not everyone knows that a solar eclipse happens

because the \_\_\_\_\_ moves directly between the earth and  
noun

the \_\_\_\_\_. We are lucky to live on a \_\_\_\_\_  
noun adjective

\_\_\_\_\_ where a total eclipse could happen! Not all planets  
noun

have moons that are shaped like a perfect \_\_\_\_\_ and  
shape

are exactly \_\_\_\_\_ miles closer to earth than the sun. Once you  
number

see the eclipse, you will probably agree that this is the \_\_\_\_\_  
Adjective ending in -est

thing you've ever \_\_\_\_\_. You might even say  
Past-tense verb

"\_\_\_\_\_ "!!!! When you are \_\_\_\_\_ years old,  
Interjection age

you will be able to tell your \_\_\_\_\_ kids and  
number

\_\_\_\_\_ all about how much fun you had on this  
Person's name

\_\_\_\_\_ day.  
adjective
