Once in Louisville, we will travel to our destination in mini-vans and 1 car. There will be a stop for dinner.

Luggage:

There is VERY limited space in the vans so ONE soft duffel is encouraged. A backpack should be brought as carry-on.

Cash:

Bring approximately \$75 - \$100 for food and snacks in transit (airport and on-the-road)

Accommodations Information:

Foley Mission Center, Martin, KY (Eastern Time Zone)

There are dorm style rooms with bunk beds. The bathrooms have hot showers.

Food:

The Mission Center serves a hot meal for breakfast and dinner. Students will make their lunches each day. This includes sandwich fixings, fruit, veggie sticks and snacks.

Weather:

We'll get back to you....

Clothing:

The clothing is listed on the What to Bring but we can't stress enough to send work boots, warm socks and warm work gloves. Layered clothing is HIGHLY recommended due to the swings in temperature.

Cell Phones Reception:

Reception in the area we are serving can be unpredictable.
