M-F 8:30 am - 12:00 pm

This course is designed to provide the student with a strong foundation for subsequent secondary mathematics courses. Course content includes the properties of the real number system, equation solving, operations with polynomials and rational expressions, factoring polynomials, graphing linear and quadratic equations and inequalities, working with functions, and solving systems of equations.

This course is offered for enrichment purposes only. Students may enroll to prepare for a future course or to reinforce their understanding of the content. Students will be provided constructive feedback on their progress, but official grades will not be given.

### ALGEBRA II FOR ENRICHMENT

\$725.00

Jun 20 - Jul 17 Grade 9 - Grade 11

M-F 8:30 am - 12:00 pm

This second-year algebra course includes a review of Algebra I topics in addition to the introduction of concepts necessary for successful precalculus and calculus studies. Topics include manipulations of real numbers, solving equations and inequalities, graphing and solving systems of equations, simplifying polynomials and rational expressions, transformations of relations and functions, solving exponential and logarithmic equations. Sequences and series, permutations, combinations, and probability are introduced in this course.

This course is offered for enrichment purposes only. Students may enroll to prepare for a future course or to reinforce their understanding of the content. Students will be provided constructive feedback on their progress, but official grades will not be given.

### COMMUNICATIONS IN A DIGITAL WORLD - 1/2 Credit (AM Session)

Daily sessions will emphasize a different skill area, along with offensive strategies necessary to become the complete shooter.

This camp will be directed by two of the top young basketball coaches, and their staffs, in the entire state of Michigan. DCDS Men's Basketball Head Coach, Darryl Nobles, and DCDS Women's Basketball Head Coach, Amber Deane, will bring their championship experience providing this elite level instruction.

The Men's and Women's programs at DCDS are two of the most historic basketball programs in the Midwest. These programs have won a record setting combined 22 state championships!

Campers should wear athletic clothing and bring a water bottle. Please do NOT have your child bring a basketball to the camp.
