

BASE Operating Calendar

Before and After School Enrichment (BASE) is open every regular school day from 6:30 AM to 6:00 PM, except for non-school days when BASE operates on a limited schedule at select sites. BASE is closed for all district-observed holidays and holiday breaks, and childcare is not available. The non-school days of operation are based on the board-approved district calendar for each school year.

2024-2025

We will offer a full day of programming at select BASE sites. Depending on projected attendance, sites may combine for maintenance and staffing purposes. Registration for non-school days of operation will be available one month before the Non-School Days/Camp date. You can find the current rate sheets for Before and After School Enrichment (BASE) on our district website at www.ogsd.net.
