## Required Federal Notice Regarding District and School Report Cards

The Elementary and Secondary Education Act (ESEA), as amended by the Every Student Succeeds Act (ESSA), requires each state education agency to prepare and publish an annual report card with state, district, and campus-level data.

Every district that receives Title 1, Part A funding is responsible for distributing the state, district and campus level report cards to each of its campuses, the parents of all enrolled students and the public.

Click the link for federal report cards for White Settlement ISD and every school in WSISD.
