

## Championship Organization and Player Roles

For the Georgetown Lady Eagles the players that the coaching staff feels give the **TEAM** the best opportunity to **WIN** will play. Being a great student does not guarantee the right to play. Being in FCA does not guarantee the right to play. Being a great athlete does not guarantee the right to play. Having parents in booster club does not guarantee the right to play. Coming to practice everyday does not guarantee the right to play. Being a captain does not guarantee the right to play. You must be able to produce positive results versus quality competition in order to play at the varsity level.

**SENIORS:** All seniors will be on the varsity. Being a senior does not entitle a player to anything more than being a valued member of the team. Many seniors will see quality playing time.....many will not.

**ROLES:** Starter--expected to perform at a high level versus quality 5A competition with minimal mistakes.

Rotation Player--expected to be game ready if for any reason a starter cannot perform. May get into the playing rotation. Expected to perform at a high level versus quality 5A competition with minimal mistakes.

Team Member--expected to provide auxiliary support for the team, including playing on scout teams, providing sideline encouragement and leadership in the dressing room, and having a positive attitude at all times. Team members will get few game playing opportunities.

Each Lady Eagle Basketball player and parent is expected to accept a role within the program and fulfill that role to the best of her ability. If everyone in the Lady Eagle Basketball program does this, the winning will take care of itself!

“There is NO hope for the selfish player!”
