Calendar Process

- **Purpose:** To create a calendar for the 2022-2023 school year. Last year we began a process where we approved two calendars at one time so that each year we would develop a calendar that was two years out from the current year we are in.
- **Gather input** (March)
- **Built Options & Gather input** (April)
- **Consider Input and DPC Vote** (May)
- **Calendar Option Presented to Board of Trustees** (June)

3 Board Targets

- **Overview and history of Board Targets**
- **Table talk reviewing the targets and share out**
- **Next Steps with Board Targets and DPC**

- Review input from calendar survey and identify trends
- Make suggestions for 2022-2023 calendar options
- Capture stakeholder voice and vote on a calendar proposal to take to Board of Trustees
- Conduct a formative review of the District Improvement Plan
- Explore progress aligned to the Board Targets
- Updates to Community Based Accountability
