District Improvement Plan - Review

- The District Improvement Plan (DIP) captures the various improvement efforts taking place at the district departmental level.
- The DIP undergoes formative reviews multiple times throughout the year.
- DPC approves the performance objectives and reviews progress towards completion.
- Review progress, raise wonders, and share input for future focus areas.

Mark with  anything that “sticks out” to you.

Mark with  anything that aligns or squares with your thinking.

Mark with  anything that is still circling in your mind.
