Fargo Public School District #1

ELEMENTARY SCHOOLERS TO PIE TEACHERS AS REWARD FOR REACHING FUNDRAISING GOAL

Kennedy Elementary School staff are going to be in a sticky situation on Friday.

WHAT: Pie Throwing Fundraiser Reward
WHEN: **Friday, October 13** at 1:30 p.m.
WHERE: Kennedy Elementary School, 4401 42nd Street South, Fargo
CONTACT: **Karrie Pederson**, Kennedy principal, pedersk@fargo.k12.nd.us or 701.446.4204 for more information.

As a reward for meeting their fundraising goals during the walk-a-thon fundraiser, Kennedy Elementary School students are going to get to throw a pie in the face of five members of the staff during an all-school assembly on Friday.

Students surpassed the school's goal of raising \$20,000 during the fundraiser. Students gathered pledges, business donations, and employer matches to donate money based on the distances they covered by walking, running, or jogging around a course at their school on September 22.

Ms. Steckler, Mrs. Holland, Mrs. Shipp, Mrs. Bucholz, and Mr. Wiemken are all set to get their faces covered in sweet and sticky pies during the assembly. As an added bonus for exceeding expectations, Kennedy Principal Dr. Karrie Pederson and Assistant Principal Eric Larson will camp out overnight at the school building on a future date to be determined.
