

FOR IMMEDIATE RELEASE
MEDIA ALERT – Tuesday, November 21, 2023
Fargo Public School District #1

COMMUNITY MEMBERS INVITED TO COMPLETE LONG-RANGE FACILITY PLAN SURVEY

Fargo Public Schools is seeking input regarding future investments in the District's facilities.

WHAT: FPS Long-Range Facility Plan Survey
WHEN: **Survey closes at midnight on December 3**
WHERE: [At this link](#)
CONTACT: **James Hand**, Facilities Director, handj@fargo.k12.nd.us or 701.446.1023 for more information.

Community members are invited to complete a Long-Range Facility Planning survey to help FPS prioritize capital projects across the next five to 10 years. The survey will close at midnight on December 3 and can be found at [this link](#).

During the 2023-24 school year, FPS is creating an updated Long-Range Facility Plan to guide major capital investments such as new construction and major renovations. This survey is an opportunity for community members to help inform the decision making of the Long-Range Facility Plan Steering Committee.

The survey provides opportunities to rank and share priorities for investments at FPS buildings, including but not limited to safety and security; accessibility and inclusivity; building preservation; community engagement and partnership; and other specific renovations and improvements.
