Fargo Public School District #1

EAGLES SECOND GRADERS TO CELEBRATE ‘SUMMER IN DECEMBER’

Oh, the weather outside is frightful, but a week at the beach is so delightful.

WHAT: Summer in December
WHEN: **December 18-22; parents invited December 21** from 1:15 p.m. to 2:15 p.m.
WHERE: Eagles Elementary School, 3502 University Drive South, Fargo
CONTACT: **Vanessa McNutt**, second grade teacher, mcnuttv@fargo.k12.nd.us or 701.446.3925 for more information.

While it may be looking like a green and brown Christmas this year, it will be sandy and sea blue inside the second grade classrooms at Eagles Elementary School. The second grade classes are celebrating “Summer in December” during the final week before winter break, December 18-22. Parents have been invited to visit the classroom for an activity at 1:15 p.m. on Wednesday.

The classrooms will be decorated to look like the beach with a palm tree, large beach umbrella, and a big blue tarp acting as their ocean; and students are encouraged to bring in their own beach towels. The students are encouraged to dress up like they’re at the beach with sunglasses, hats, and anything that reminds them of summer.

The students will participate in summer and beach-themed activities throughout the week, such as pin the leaf on the palm tree. Parents have been invited to participate with their children in a series of beach-themed activities on Wednesday. The parents and students will rotate through stations with activities focused on math, literacy, and science.
