The about 500 band students in Grades 6-12 from Discovery Middle School and Davies High School are setting down their controllers and turning off their TVs for the night to play a concert inspired by their favorite video games at the annual “Eagles Play!” combined band concert on Tuesday. The theme for the concert this year “Video Games” and the students are encouraged to dress up as their favorite video game characters.

Each of the Discovery Middle School sixth, seventh, and eighth grade bands will perform a musical number and the Davies Concert Band, Davies Symphonic Band, and Davies Wind Ensemble will perform. The concert will conclude with a grand finale featuring about 500 band musicians from all six bands performing the song “Pokemon Theme Song” and the Davies school song. The Davies pep band and drumline will perform a pre-show at 6:45 p.m.

The “Eagles Play!” concert is a unique opportunity to see musicians from a wide range of ages and experience levels perform in the same place. It will show the progression and growth of band students from sixth graders in the early stages of their musical journeys through experienced seniors in high school.
