Horace Mann-Roosevelt Elementary School is hosting a Winter Gala for its families on Tuesday, January 31. The student-led event will feature a semi-formal pasta dinner with families sat at tables in the gymnasium at Roosevelt. Approximately 350 students and family members are expected to attend.

The meal will feature penne pasta with a choice of red or white sauce, salad, dinner roll, and a dessert. Students will help to serve the dinner and to clear plates at the conclusion of the meal. The elementary schoolers addressed and mailed formal invitations to their families prior to the event.

The evening's focus will be on learning about and discussing Social Emotional Learning. There will be SEL conversation starters at each table to help the families connect with others seated near them. After the meal, a representative from The Village Family Service Center will give a presentation focused on Social Emotional Learning.

In addition to the pasta dinner and presentation, there will be activity stations for student enjoyment including creating gratitude murals and wreaths that will be hung around the school. Members of the North High School Key Club, National Honor Society, and Drama Club will be volunteering at the event.
