SOUTH STUDENTS PIE SCHOOL RESOURCE OFFICE FOR NORTH DAKOTA ALZHEIMER’S ASSOCIATION FUNDRAISER

Students have been collecting spare change all week to raise money for a great cause, and to ‘pie’ others in the face. They’ve reached a milestone in their collection efforts – to pie their School Resource Officer on Friday.

WHAT: Honor Society Fundraiser for ND Alzheimer’s Association
WHEN: **Friday, April 21** at 12:42 p.m.
WHERE: Cafeteria, South High School, 1840 15th Avenue South, Fargo
CONTACT: **Vanessa Boehm**, Counselor, at 701.446.2021 or boehmv@fargo.k12.nd.us for more information.

Honor Society members at South High School have spent the week fundraising for the North Dakota Alzheimer’s Association. Five seniors have been collecting money during lunch breaks; for every \$100 raised by the students, they were ‘pied’ in the face during lunch. A goal was set that if \$1,000 was raised this week the students could pie School Resource Officer Troy Nielsen on Friday during the third lunch period. The goal was reached and exceeded, and now Officer Nielsen and two students will be eating whipped cream.

Due to the funds collected thus far, five students have been pied earlier in the week. If the ultimate goal of \$2,000 is raised, a principal will be pied.
