Kennedy Elementary School students will get colorful during their Color Run event. The event will be held on Tuesday, May 23 from 5:30-6:30 p.m. The elementary school students will wear white clothing as they run around a course through clouds of brightly colored pigment that coats their clothes and skin in vibrant splashes of color.

After Kennedy's students get sweaty and messy at the Color Run, they'll have a chance to get soapy and sudsy and clean up some of their mess. Directly following the Color Run, Kennedy will host a bubble party – a bubble bath without the water – until 8 p.m.
