With the end of the school year right around the corner, Madison Elementary School's students and staff have one of their final opportunities to enjoy each other's company as they participate in the school's annual field day on Friday.

The students and staff will head outside for a day of fun and outdoor activities planned by Madison Physical Education Teacher Nathan Sillerud. The students will participate in a tug-of-war, a beach ball relay, a sponge relay, water balloon toss, classic yard games, and more.
