

Grade 12 - Bible as Literature: Unit 4 - Kingdom Come: Judges, Kings & Prophets

Unit Focus

Students have spent three units exploring the creation, trials, and tribulations of God's chosen people, the Israelites; but - like all humans - they have their flaws: chief among them, their belief that they need a king to compete with neighboring monarchies. In this unit, students will examine this unsettled period by analyzing the patterns of behavior. Students have examined the successes and failures of individuals until this unit, now they will analyze the cumulative effect that bad decisions have on a nation and God's repeated attempts to get it back on track with his trusted prophet, Samuel.
