

FRIDAY KNIGHT NEWS

FRANKFORT-SCHUYLER
Pride

COMMUNITY AND COLLABORATION

Our enrichment program has started the second semester with almost 100 students participating. That is a nearly 30% increase from the first session. We hosted our virtual Veteran's Day celebration with each grade performing and creating art to honor all of our respected Veterans. Our Holiday concert season has begun! Elementary performed on the 1st, with the Middle School on display on the 8th, and the High School concluding our holiday performances on the 15th! Our KKids Club also collected donations for our Veterans. As a district we partnered to provide gifts and food deliveries for many children and families throughout our amazing community.

FISCAL RESPONSIBILITY

Work continues on the planning stages of our next capital project to enhance the safety, infrastructure and offerings of our tremendous district. Our district committee will collaborate with all our partners to ensure the best possible project is established and outlined for our school community. Frankfort-Schuyler Central School District has recently completed another grant application in partnership with the Ely Initiative to help further the opportunities available for our student champions after school and in the summer; while strengthening our partnership with our parents!

PEOPLE & CULTURE

Our Middle School students worked with clay and created various figures, then wrote stories on the clay figure that they created. Also, students prepared Cornucopia's with various treats inside and distributed them to staff members to show appreciation. Students wrote Friendly letters to staff and decorated cards to give to them with the Cornucopia's.

We remain dedicated to the safety and well-being of our students, staff and community. Our shared responsibility will continue our efforts in maintaining the safest environment possible during this unsettling pandemic. Please remember the FISH philosophy and the four principles of: Choose Your Attitude, PLAY, Be There, and Make Their Day. We will continue to follow those concepts as it coordinates perfectly with our operational practices in our district of: SERVING OUR STUDENTS | SUPPORTING EACH OTHER | PARTNERING WITH PARENTS. Your support is greatly appreciated and adds to our success.

CHARACTER

Frankfort-Schuyler Central School District is built on the foundational values of: Pride, Respect, Responsibility, Trust and Citizenship. Our Hi-5 Friends have been selected and trained. They have visited and mentored our younger students. The Middle School and High School Hi-5 Friends enjoyed and benefitted from the visit as much as our elementary students! Please be on the lookout for the Days of Christmas video treats! FSCSD is truly a special place for every member of our school community. Please remember reopen@frankfort-schuyler.org is available if you have any questions or need any assistance from our team.
