

# FRIDAY KNIGHT NEWS

FRANKFORT-SCHUYLER  
*Pride*

## COMMUNITY AND COLLABORATION

Frankfort-Schuyler Central School District hosted the Class of 1971 for their reunion. It was a great event and all the former Knights beamed with Pride about how the building and grounds looked on our beautiful campus. Many stories and history were shared with everyone involved during this fun evening. The Builder's Club hosted the walk for St. Jude's Children's Research Hospital. The morning was sunny and the smiles were plenty. A great walk for a great cause. The student champions have been active decorating creatively in the hallways for Spirit Week. It is awesome to see them work together to show their Pride.

## STUDENT ACHIEVEMENT

Our STEAM class had Apple Week with a host of activities and learning experiences. They conducted the Apple Bubble experiment, built Apple Catapults, constructed Apple Buildings and tried to solve the Ten Apple on Top activity. These experiences incorporated engineering, critical thinking, collaboration, communication skills and lots of FUN. Our student champions and staff are doing remarkable things in and out of the classroom. We have also completed the STAR testing to assess our students and analyze any gaps or deficient areas of concern. The next step for greater student achievement will be our team working collaboratively to make an action plan to address the areas identified through the assessment.

## FISCAL RESPONSIBILITY

The FSCSD remains committed to explore alternative funding opportunities to best serve our students while solidifying our fiscal responsibility. We received notification that we have been selected to receive a \$1,000.00 Gift of Books grant from Mary Pope Osborne and her Classroom Adventures Program. This is a competitive grant program and this organization typically awards between \$100 and \$300 for grants. However, they were inspired by our creative reading program and are awarding \$1000 to allow us to get all of the books we requested. Thank you to all involved!

## PEOPLE & CULTURE

We remain dedicated to the safety and well-being of our students, staff and community. As of this publication we have had six positive COVID-19 cases throughout our school district community. Our shared responsibility will continue our efforts in maintaining the safest environment possible during this unsettling pandemic. Please remember the FISH philosophy and the four principles of: Choose Your Attitude, PLAY, Be There, and Make Their Day. We will continue to follow those concepts as it coordinates perfectly with our operational practices in our district of: SERVING OUR STUDENTS | SUPPORTING EACH OTHER | PARTNERING WITH PARENTS. We are proud we have completed the first month of school, together with our students and staff. Your support is greatly appreciated and adds to our success.

## CHARACTER

Frankfort-Schuyler Central School District is built on the foundational values of: Pride, Respect, Responsibility, Trust and Citizenship. You clearly see this demonstrated daily by our staff, students and families in their interactions, behaviors and the manner in which they conduct themselves during very difficult and uncertain times. This is truly what makes FSCSD a special place for every member of our school community. Please remember [reopen@frankfort-schuyler.org](mailto:reopen@frankfort-schuyler.org) is available if you have any questions or need any assistance from our team.
