Art Club:

Franklin Park Mall has five large-scale fiberglass eggs that have been transformed into vibrant works of art by local artists over the years (attached are images for your reference). This year on

March 9th, they are excited to offer local student artists the opportunity to lend their creativity to these unique canvases.

Here are the key details:

- **Date and Time:** The painting will take place live at Franklin Park Mall on Saturday, March 9, from 11 am to 3 pm, coinciding with Bunny Arrival Day. Members of the media will be in attendance, and children will have the chance to paint their own mini eggs as part of the festivities.
- **Content Guidelines:** The artwork should be family-friendly and devoid of any political or religious messaging.
- **Materials:** Please ensure that the materials used do not permanently damage or alter the shape of the egg, as they are repainted and reused annually.

Following the event, the decorated eggs will remain on display at Franklin Park Mall through Easter. The community will be encouraged to vote for their favorite egg, with each school receiving recognition on signage next to their respective egg, along with a QR code directing viewers to learn more about the school's art program. Please see Mrs. Moorman if you are interested in participating.

Pledge of Allegiance:

Would you like to help out with the reading of the Pledge of Allegiance? Once per week we will have a "guest" staff member or student deliver the Pledge for all of us LIVE in the morning. We are attempting to get our Eagles to remember the sacrifices that many have made for our freedoms, so we are looking for students who will take this task seriously and demonstrate the appropriate respect while doing so.

Let your first period teachers know if you would like to volunteer and they will sign you up. You have until next Wednesday to sign up, and after that we will designate the Guest Pledger day and schedule you to do the pledge. We will then notify you as to your date to do the Pledge in the morning.

Thanks for helping us remember the service and sacrifice of our Veterans and currently serving Men and Women!!

Community Service Opportunity:

If you are in need of community service hours, Pemberville Independent Merchants Association is hosting an Easter event in downtown Pemberville March 23rd from 10am-2pm. They are in need of 1-2 volunteers to be the Easter bunny. If you are interested, please contact Colleen at 419-287-3231 or colleen@insuranceofficeagent.com

Pep Club Shout Outs:

Attention Students: posted around the school are laminated pieces of paper with QR codes. They are located around the hallways, bathrooms, and outside the office. Please take some time and scan the QR code with your phones, which will lead you to a Google form. You can fill out the Google form as many times as you want, to shout out your classmates or even your teachers.

Color Guard:

Are you interested in auditioning to be a twirler or color guard member next year? You're invited to

join us for open gyms. Come learn basics with our instructors and returning teammates before auditions. We can provide all equipment (flags, batons), but please wear tennis shoes. No experience necessary. The open gyms are Mondays beginning March 4th—April 22nd from 5-6pm in the elementary gym. They are open to anyone entering 9th-12th grade. If you have any questions, reach out to band directors, Mr Myers or Mr Roode and they will pass along the information to the instructors.

Pemberville Pool:

Pemberville Community Pool is looking for lifeguards and concession stand workers for the 2024 pool season. If you are interested in working, informational handouts and applications are available in the High School Office. Applications are being accepted through the end of April.
