## PRINCIPAL'S CHALLENGE!

I am excited to share with you that I've accepted the American Heart Association's Principal's Challenge. I've committed to:

- Being prepared to save a life by learning hands-only CPR
- Learning how to take care of my heart and brain
- And raising funds to help kids born with special hearts

I'm really excited and want every one of our staff, students and families to join me. You can by completing Finn's Mission on the AHA Schools App or [heart.org/schools](http://heart.org/schools)

I am so excited for us all to help create a community of lifesavers.
